ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Cleveland Housing Authority has completed this Agency Plan in consultation with CHA residents and the local community. The Plan was discussed with the Resident Advisory Board on November 30, 1999, December 14, 1999 and March 22, 2000. The public was afforded an opportunity to review the plan and offer comments at a public hearing held on March 30, 2000. The Annual Agency Plan is summarized as follows:

1. Housing Needs

The CHA current waiting list is excessive and the demand for public housing and Section 8 assistance is evident. Our greatest demand is for small to medium bedroom units (1, 2 and 3 bedroom units).

2. Financial Resources

The CHA expects to expend approximately \$3.3 million in the year 2000 for operations, capital improvements and administrative costs.

3. Eligibility, Selection and Admission Policies

The CHA has revised its standard operating policies and Section 8 policies to comply with the requirements of the QHWRA through

regulations published in the Federal Register on April 30, 1999. These policies will be updated as HUD issues further guidance.

As required under this section of the plan, the CHA has reviewed its developments and the census tracts in which they are located relative to income. We have determined that we do have a problem with concentration of low-income families. As a result, we have revised our admission policies to address the current situation and to assure that a concentration does not reoccur in the future.

4. Rent Determination-Discretionary Policies

Our discretionary rent policies include:

- ✓ Ceiling/Flat Rents
- ✓ \$25.00 minimum rent for Public Housing and Section 8

5. Operations and Management

The CHA has developed a Practice and Procedures Manual which includes all of our policies relating to public housing and Section 8 administration, management, maintenance, leasing and occupancy. These policies have been revised to comply with the recently mandated requirements of the QHWRA.

6. Grievance Procedure

We have revised our Grievance Procedure to comply with the QHWRA and will continue to make revisions as additional issues are addressed by HUD regulations.

7. Capital Improvements

Our projected funding under the Capital Funds Program is \$761,785. Our focus for the 2000 program year is to provide miscellaneous renovations to our Developments. Renovations include: sanitary sewer improvements, landscaping and parking improvements in Development TN054-002; waterline improvements and replacing exterior doors and screen doors in Development TN054-003a; sidewalk repairs and replacing screen doors in Development TN054-003b; sidewalk repairs and installing HVAC in Development TN054-004 and replacing wall heaters in Development TN054-005.

8. Demolition and/or Disposition

The CHA has no current plans for demolition or disposition.

9. Designation

The CHA plans to maintain the current elderly/disabled designation that applies to a portion of its units. The CHA has no plans to designate additional units in the future.

10. Conversion of Public Housing

The CHA has no current plans to designate any developments or buildings to tenant-based assistance.

11. Homeownership

The CHA currently does not have a Homeownership Program but is looking into the feasibility of developing a program.

12. Community Services and Self-Sufficiency Programs

The CHA offers and provides a variety of services to their residents. These services include: Computer Training, Woman to Woman, CHAP Junior Safety Patrol, Boys and Girls Club, Girl Talk, Senior Feeding Program, Food Giveaway, Health Products Distribution and Housekeeping Classes.

13. Safety and Crime Prevention

The CHA has addressed and will continue to address the problems with security and crime in their developments as well as the surrounding neighborhoods through the Public Housing Drug Elimination Program (PHDEP). The CHA will work in cooperation with the police department and residents to address safety and crime. In addition to the current anti-crime and security activities CHA has presently on going such as a "one strike" policy, strict applicant screening and partnerships with law enforcement agencies, the CHA has identified additional goals and objectives to further combat criminal activities. These goals and objectives include applying and receiving additional PHDEP funds to continue

providing a full time police officer to patrol all of the CHA's developments, providing four drug prevention programs through the Boys and Girls Club, continuing the Junior Safety Patrol and providing various site improvements to eliminate criminal activities.

14. Ownership of Pets

The CHA has a policy related to tenant-owned pets. This policy permits all CHA residents to own pets subject to compliance with specific requirements of our pet lease.

15. Civil Rights Certification

We have included the required certification regarding Fair Housing and Civil Rights in this plan.

16. Annual Audit

Our most recent annual audit for fiscal year 1999 is on file at our local HUD office in Knoxville, Tennessee and is available for review at our main office during normal business hours.

17. Asset Management

It is the goal of the CHA to manage our assets (physical properties, financial resources and manpower) as efficiently as possible to meet the intent of our Mission Statement.

DECONCENTRATION POLICY

1. The objective of the Deconcentration Policy for the PHA is to achieve the goal that families are housed in a manner that will prevent a concentration of poverty families and/or a concentration of higher income families in any one development or census tract. The PHA will take actions as necessary to achieve the goal that no individual development has a concentration of higher income or lower income families. To ensure that the PHA does not concentrate families with higher or lower income levels in any one development, the PHA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the PHA's computer system.
2. The PHA will periodically compare the relative incomes of its developments to the relative incomes of the census tracts in which they are located. Where significant differences are identified, income targeting will be applied.

INCOME TARGETING

1. To accomplish the deconcentration goals, the PHA will take the following actions:
 - A. At the beginning of each fiscal year, the PHA will establish a numerical goal for admissions of families whose incomes are at or below 30 percent of the area median income. The target annual goal will be calculated by taking 40 percent of the total number of move-ins from the previous PHA fiscal year.
 - B. The PHA will limit the number of admissions to ensure that not less than 40 percent of admissions are families that have incomes at or below 30 percent of area median income.
 - C. The PHA will skip families on the waiting list or skip developments to accomplish these goals.
2. The PHA will not hold units vacant to accomplish these goals.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

Cleveland Housing Authority's 2000 PHDEP takes a multi-faceted approach that includes increased security patrols along with programs to promote drug education and training for youths as well as miscellaneous physical improvements. The security component provides for the continued funding of a full-time police officer from the Cleveland Police Department for forty hours per week for exclusive services to the CHA. The officer will be responsible for patrolling all of CHA's developments as well as preparing daily reports, screening tenants for criminal background and checking with sheriff's department for any arrest which may have occurred on CHA properties. The activities targeted to youths include the continued funding of a contract with the Boys and Girls Club of Cleveland to provide educational and training to children living in CHA's developments. The programs of the Boys and Girls Club are intended to teach children life skills, to build self esteem and to help them stay drug and alcohol free. Additionally, the Authority and the Cleveland Police Department will continue the CHA Police Junior Safety Patrol as well as work together on identifying and making miscellaneous physical improvements to alleviate drug related activities. Each of the identified programs target all developments of the Cleveland Housing Authority.
