[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

This is the Five-Year Plan and annual plan for the Housing Authority of the City of Denison. The Housing Authority's fiscal year begins October 1, 2000. The Five- Year Plan is for fiscal years 2000-2004 and the Annual Plan is for fiscal year 2000.

The Denison Housing Authority administers 325 units. 200 are public housing for families and 125 are section eight new construction for seniors. A board of commissioners, consisting of five members appointed by the Mayor, oversees the agency. This agency was established in 1952.

The Housing Authority plans to provide adequate and affordable housing by providing housing subsidy and developing of economic self-sufficiency and home ownership programs. We will affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

The housing Authority plans to expand the supply of assisted housing by reducing the number of vacancies. We are currently seeking funds to build additional elderly housing in our area.

The housing Authority intends to increase the number of working families residing in public housing units. We propose to increase the percentage of employed persons by 20% over the next five years. This will be accomplished by providing flat rents, working preferences, and by working closer with social services agencies to provide job training and employment opportunities.

Over the next five years we plan to completely renovate the interior of all units. We will continue to provide drug prevention and social service programs. The programs benefit the residents by providing alternatives to drugs, and economic self-sufficiency.

The agency has four primary sources of funding: operating, capital, Public Housing Drug Elimination Program, and Dwelling Rental Income.
