ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Ennis Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

The Plan characterizes the changes and provisions being made for affordable housing, reduced federal funding, deregulation and the challenges and opportunities of new housing legislation and the stereo-typical perceptions of low-income housing by elected officials and the public.

To meet the need for affordable housing in Ennis, the housing authority is implementing strategies to improve neighborhood conditions and stimulate economic development, established new rent policies and eligibility for admission policies and a deconcentration policy. The Ennis Housing Authority intends to implement income-mixing and still give extremely low income households access to limited housing that is available.

With assistance from public, private and community participation in sustaining vital communities that house all income levels can be achieved.

1. Statement of Housing Needs

[24 CFR Part 903.79 (a)]

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in our Annual Plan a Needs Assessment of the housing needs of our jurisdiction and or waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the housing needs section of the State Consolidated Plan. It shows there is a need for additional affordable housing resources in our community. Also, per the requirements, we have provided this data as an attachment.

The Ennis Housing Authority has used the data contained in the above referenced materials to prepare our five year goals and objectives. It reflects our priorities that we have set forth in our Mission Statement.

A. Housing Needs of Families in the Jurisdiction/s Served by the PHA

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.
