[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

**Executive Summary**

This is the Five-Year and Annual Plan for the Housing Authority of the City of Moody, Texas. The Housing Authority's fiscal year begins October 1, 2000. Our Five-Year Plan is for fiscal years 2000 through 2004 and the Annual Plan is for fiscal year 2000.

Moody Housing Authority administers 50 units of Public Housing. The chart below gives the number of units by household type and bedroom size:

<b>Elderly/Disabled</b>		<b>Family</b>			
1Br.	2 Br.	1Br.	2Br.	3Br.	4Br.
34	2	2	6	4	2

A Board of Commissioners, consisting of five members appointed by the Mayor, oversees the agency that was established in 1950.

The mission of the Moody Housing Authority has always been to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination so that all persons served are treated equally, with dignity and respect.

We plan to expand our supply of assisted housing by reducing the number of vacancies in our complexes. Our goal will be a ten (10) percent vacancy reduction, thereby providing housing assistance to a greater number of low-income families.

Moody Housing Authority has two primary sources of funding: Operating Subsidy and Capital Funding. With both sources of funding being revised, our future funding amount could be substantially altered. The figures in this Plan do not reflect any impact from upcoming changes in funding formulas, since the impact is unknown at this time. At the end of fiscal year 1999, our operating reserves were estimated to be \$73,865. This agency plans to use part of these reserves to make capital improvements in the public housing stock throughout the five year planning period.
