<b>Elderly/Disabled</b>	<b>Family</b>		
<b>1-Br</b>	<b>1-Br.</b>	<b>2-Br.</b>	<b>3-Br.</b>
<b>45</b>		<b>32</b>	<b>23</b>

**A Board of Commisioners, consisting of five members appointed by the mayor, oversees the agency. The Agency was established in the 1960.**

**The mission of the Housing Authority, stated above was adopted by the Board on November 29,1999. When the Board adopted this statement, it knew that there were many ways that the Authority could provide adequate and affordable housing. The mission also requires the Housing Authority to extend its role beyond housing assistance and develop programs which provide economic self-sefficiency to the families it serves. The mission statement charges the Housing Authority with the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with deginity and respect.**

**The Housing Authority further plans to expand the supply of assisted housing by reducing the number of vacancies at its developments. The Housing Authority will reduce the vacancy rate by 25 percent; thus providing housing assistance to a greater number of low income families.**

**The Housing Authority further intends to increase the number of working families residing in public housing units. Currently, only 10 percent of the families work. The Authority plans to increase that number to 25 percent over the next five years. We will accomplish this through a combination of flat rents, rent incentives, working preferences, and by working closer with the social service agencies to provide job training and employment opportunities.**
