ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Lott Housing Authority administers 48 units of Public Housing. A Board of Commissioners , consisting of 9 members, appointed by the Mayor, oversee the agency. The Housing Authority plans to expand the supply of assisted housing by reducing the number of vacancies at its developments by 25% over the next 5 years, thus providing housing assistance to a greater number of low income families. The Housing Authority further intends to increase the number of working families residing in Public Housing units. The Authority plans to increase that number by at least 25% over the next 5 years by giving rent incentives and working closer with social service agencies to provide job training and employment opportunities. The Housing Authority has three primary sources of funding; operating subsidy, rent collections and the 1999 CIAP Grant. At the end of 1999 our operating reserves for our public housing program were low, however, we expect to be able to significantly improve on this over the next 5 years with the help of the 5 year plan. We have just begun working off of our 1999 CIAP Budget and expect to have it completed by late Summer.
