ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Executive Summary

This is the Five-year Plan and Annual Plan for the Housing Authority of the City of Georgetown. The Housing Authority's fiscal year begins October 1, 2000. The Five-Year Plan is for fiscal years 2000 through 2004 and the Annual Plan is for fiscal year 2000.

Housing Authority administers 157 units of Public Housing.
Additionally, the Housing Authority administers 84 units of Section 8.

The mission of the Housing Authority, stated above was adopted by the Board on July, 2000. When the Board adopted this statement, it knew that there were many ways that the Authority could provide adequate and affordable housing, and subsidize housing. The mission also requires the Housing Authority to extend its role beyond housing assistance and develop programs which provide economic self-sufficiency to the families it serves. Finally, the mission statement charges the Authority with the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

The Housing Authority further intends to increase the number of working families residing in Public Housing units. We will accomplish this through a combination of flat rents, and rent incentives.

The Agency has three primary sources of funding: operating, capital, and Section 8. Program grants. With public housing funding being revised, the Agency's future funding

amounts could be substantially altered. The figures in the Plan do not reflect any impact from the upcoming changes in funding formulas, since the impact is unknown at this time.
