**i. Annual Plan Type:**

Select which type of Annual Plan the PHA will submit.

**Standard Plan**

**Streamlined Plan:**

**High Performing PHA**

**Small Agency (<250 Public Housing Units)**

**Administering Section 8 Only**

**Troubled Agency Plan**

**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

EXECUTIVE SUMMARY

This Five-Year Plan and Annual Plan is for the Housing Authority of the City of Kirbyville, Texas. The Housing Authority's fiscal year begins January 1, 2000. The Five-Year Plan is for fiscal years 2000 through 2004 and the Annual Plan is for fiscal year 2000.

Kirbyville Housing Authority (KHA) administers 84 units of Public Housing. The chart below gives the number of units by household type and bedroom size:

<u>Elderly/Disabled</u>				<u>Family</u>		
<u>0-Br</u>	<u>1-Br</u>	<u>2-Br</u>	<u>3-Br</u>	<u>1-Br</u>	<u>2-Br</u>	<u>3-Br</u>
4	42	6	4	12	14	4

KHA does not currently administer any Section 8 Vouchers or Certificates. A Board of Commissioners, its members appointed by the Mayor of the City of Kirbyville, oversees the agency. KHA was established in 1964.

The mission of KHA (as stated above) incorporates plans for KHA to extend its role beyond housing assistance and develop programs that provide economic self-sufficiency to the families it

serves. Finally, this mission statement charges the Authority with the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

KHA plans to expand the supply of assisted housing by applying for rental vouchers; reducing the number of vacancies at its developments, and by leveraging private or other public funds to create additional housing opportunities. KHA will strive to reduce its current vacancy rate by 25%, thus providing assistance to a greater number of low income families.

Pending resolution of the Young vs. Cuomo litigation, KHA further intends to increase the number of working families residing in Public Housing units. KHA’s goal is to increase the total percentage of working families by ten percent over the next five years. We will achieve this increase through a combination of flat rents, rent incentives, working preferences, and by working more closely with social service agencies to provide job training and employment opportunities.

KHA plans to apply for Section 8 vouchers and to consider the initiation of the most feasible homeownership opportunities for our area citizens. KHA will also continue to work closely with Deep East Texas Council of Governments to assist with and complement the programs they currently administer.

KHA presently has two primary sources of federal funding: Operating subsidy and Capital funds. With the significant recent changes in federal funding philosophy, KHA’s future funding amounts and trends are uncertain and subject to alteration. Thus, financial figures used in the Annual Plan are based on October 1999 information and do not reflect any impact that formula modifications may have. At the close of fiscal year 1999, KHA’s operating reserves are estimated to be \$59,790.00. KHA expects to maintain or increase this reserve level throughout its five-year planning period.
