[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

**Executive Summary**

This is the Five-year Plan and Annual Plan for the Housing Authority of the City of Kerens. The Housing Authority's fiscal year begins April 1, 2000. The Five-Year Plan is for fiscal years 2000 through 2004 and the Annual Plan is for fiscal year 2000.

Kerens Housing Authority administers 56 units of Public Housing. The chart below gives the number of units by household type and bedroom size.

Elderly/Disabled	Family	
1-Br/40	2-Br/ 10	3-Br/ 6

A Board of Commissioners, consisting of five members appointed by the Mayor, oversees the agency. The Agency was established in First Project 1966 and Second Project 1983.

The mission of the Housing Authority, stated above was adopted by the Board on 1/10/2000. When the Board adopted this statement, it knew that there were many ways that the Authority could provide adequate and affordable housing, and subsidize housing. The mission also requires the Housing Authority to extend its role beyond housing assistance and develop programs which provide economic self-sufficiency to the families it serves. Finally, the mission statement charges the Authority with the responsibility to affirmatively further fair housing and deliver the programs in a way that all those served are treated equally with dignity and respect.

The Agency has two primary sources of funding: operating, and capital grants. With public housing funding being revised, the Agency's future funding amounts could be substantially altered. The figures in the Plan do not reflect any impact from the

upcoming changes in funding formulas, since the impact is unknown at this time. At the end of fiscal year 1999, operating reserves for the public housing program are estimated to be \$139,198.00. The Agency expects to retain these reserve levels throughout this five year planning period.
