The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, PHAs ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN PHA Goal: **Increase the availability of decent, safe, and affordable housing.** PHAs should identify the PHA's contribution to this goal over the 5 YEARS. (Quantifiable measures would include Objectives, such as: numbers of families served or PHAS scores achieved.) PHAs should

- Conduct outreach efforts to potential voucher landlords
- Increase voucher payment standards
- Implement voucher homeownership program:
- Implement public housing or other homeownership programs:

Further, the PHA will review the payment standards in order to heighten landlord interest through increased payment standards. The PHA will continue to provide voucher mobility counseling to each applicant/resident.

**HUD Strategic Goal: Improve community quality of life and economic vitality**

**PHA Goal: Provide an improved living environment**

Objectives:

**bringing higher income public housing households into lower income developments:**

**Implement measures to promote income mixing in public housing by assuring access for lower income families into higher income developments:**

**Implement public housing security improvements:**

**Designate developments or buildings for particular resident groups (elderly, persons with disabilities)**

**Other: (list below)**

**Through the adoption and implementation of flat rents as well as deconcentration, the PHA hopes to maintain working families who previously were vacating due to increase rental payments. According to PHA records, approximately 10% of current residents will be affected as well as approximately 11% of the applicants.**

**HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals**

**PHA Goal: Promote self-sufficiency and asset development of assisted households**

**Provide or attract supportive services to improve assistance recipients' employability:**

**Provide or attract supportive services to increase independence for the elderly or families with disabilities.**

Further, the PHA will continue to maintain services to the elderly/disabled families. Currently, the PHA assist these residents/applicants with various paperwork/applications. These families are also serviced by various home health care medical screenings and meals on wheels.**

**Need: Shortage of affordable housing for all eligible populations**

**Strategy 1. Maximize the number of affordable units available to the PHA within its current resources by:**

Select all that apply

- Employ effective maintenance and management policies to minimize the number of public housing units off-line**
- Reduce turnover time for vacated public housing units**
- Reduce time to renovate public housing units**
- Seek replacement of public housing units lost to the inventory through mixed finance development**
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources**
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction**
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required**
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration**
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program**
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies**
- Other (list below)**

**As referenced in the five year plan, the PHA will begin reviewing and updating its policies and procedures in order to reduce vacancies. Further, the PHA will review the payment standards in order to attract viable private sector landlords.**

**Strategy 2: Increase the number of affordable housing units by:**

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below)

**The local market conditions do not lend to increasing the number of affordable housing units other than by attracting additional private sector landlords which is indicated above.**

**Need: Specific Family Types: Families at or below 30% of median**

**Strategy 1: Target available assistance to families at or below 30 % of AMI**

Select all that apply

**Need: Specific Family Types: Families at or below 50% of median**

**Strategy 1: Target available assistance to families at or below 50% of AMI**

Select all that apply

- Employ admissions preferences aimed at families who are working
- Adopt rent policies to support and encourage work

\_\_\_\_ Other: (list below)

**Currently, less than 10% of residents/applicants fall into this category. As mentioned above, the PHA will adopt deconcentration, income mixing and flat rents in order to encourage self-sufficiency and employability.**

**B. Need: Specific Family Types: The Elderly**

**Strategy 1: Target available assistance to the elderly:**

Select all that apply

- Seek designation of public housing for the elderly
- Apply for special-purpose vouchers targeted to the elderly, should they become available
- Other: (list below)

**The PHA will continue to maintain the level of services currently afforded to these residents/applicants.**

**Need: Specific Family Types: Families with Disabilities**

**Strategy 1: Target available assistance to Families with Disabilities:**

Select all that apply

- Seek designation of public housing for families with disabilities
- Carry out the modifications needed in public housing based on the section 504 Needs Assessment for Public Housing

**Need: Specific Family Types: Races or ethnicities with disproportionate housing needs**

**Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:**

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate

housing needs

Other: (list below)

The Housing Authority will continue to market its programs to all families of the jurisdiction to ensure equal opportunity. Currently, the Housing Authorities residents are proportionate to the entire jurisdiction, racially referencing. No significant changes are anticipated during the first year.

**Strategy 2: Conduct activities to affirmatively further fair housing**

Select all that apply

Market the section 8 program to owners outside of areas of poverty /minority concentrations

Other: (list below)
