A. Mission

State the PHA's mission for serving the needs of low-income, very low income, and extremely low-income families in the PHA's jurisdiction. (select one of the choices below)

The mission of the PHA is the same as that of the Department of Housing and Urban Development: To promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

_____ **The PHA's mission is: (state mission here)**

B. Goals

The goals and objectives listed below are derived from HUD's strategic Goals and Objectives and those emphasized in recent legislation. PHAs may select any of these goals and objectives as their own, or identify other goals and/or objectives. Whether selecting the HUD-suggested objectives or their own, PHAs ARE STRONGLY ENCOURAGED TO IDENTIFY QUANTIFIABLE MEASURES OF SUCCESS IN PHA Goal: **Expand the supply of assisted housing** over the 5 YEARS. (Quantifiable measures would include Objectives, such as: numbers of families served or PHAS scores achieved.) PHAs should

- _____ **Apply for additional rental vouchers:**
- _____ **Reduce public housing vacancies:**
- _____ **Leverage private or other public funds to create additional housing opportunities:**
- _____ **Acquire or build units or developments**
- Other (list below)**

Based on resident turnover and waiting list data for the past few years, the optimum mix of applicants and housing units has been achieved; therefore, the Housing Authority will continue to maintain the current mix. The Housing Authority maintains a viable waiting list that turns over approximately 1 ½ times per year. In other words, applicants generally do not have to wait more than 30-60 days for housing.

PHA Goal: Improve the quality of assisted housing

Objectives:

- Improve public housing management: (PHAS score)**
- _____ **Improve voucher management: (SEMAP score)**
- Increase customer satisfaction:**
- Concentrate on efforts to improve specific management functions:
(list; e.g., public housing finance; voucher unit inspections)**

- Renovate or modernize public housing units:
- Demolish or dispose of obsolete public housing:
- Provide replacement public housing:
- Provide replacement vouchers:
- Other: (list below)

The Housing Authority will continue to improve daily operations through staff training, new policy adoptions and implementations, capital funding requests and resident concerns. The PHAS Advisory Scores indicated improvement was needed in the area of resident service. The Housing Authority will conduct meetings to better inform and educate the residents on community services available, safety issues as well as neighborhood concerns.

PHA Goal: Increase assisted housing choices

Objectives:

- Provide voucher mobility counseling:
- Conduct outreach efforts to potential voucher landlords
- Increase voucher payment standards
- Implement voucher homeownership program:
- Implement public housing or other homeownership programs:
- Implement public housing site-based waiting lists:
- Convert public housing to vouchers:
- Other: (list below)

Although the Housing Authority currently does not have plans to implement a public housing homeownership program; plans are being researched to develop resident savings accounts in connection with deconcentration and flat rent policies. An estimated 29 families would be potential participants.

HUD Strategic Goal: Improve community quality of life and economic vitality

PHA Goal: Provide an improved living environment

Objectives:

- _____ **Implement measures to deconcentrate poverty by bringing higher income public housing households into lower income developments:**

- _____ **Implement public housing security improvements:**
- _____ **Designate developments or buildings for particular resident groups (elderly, persons with disabilities)**
- _____ **Other: (list below)**

Through the use of deconcentration and flat rent policies, the Housing Authority will implement measures to allow higher income residents/applicants to remain in public housing long enough to take advantage of accumulated savings accounts, continuing education and various self sufficiency programs available through community services.

Currently, the waiting list data indicates that 78% of applicants are extremely low income while 22% are very low income and no applicants are low income. The Housing Authority hopes to encourage higher income households in order to promote deconcentration and income mixing.

HUD Strategic Goal: Promote self-sufficiency and asset development of families and individuals

PHA Goal: Promote self-sufficiency and asset development of assisted households

Objectives:

As described above, the Housing Authority hopes to attract higher income household while, at the same time, educate lower income households on community services available to promote self-sufficiency. The Housing Authority will also make contacts/partnerships with the State Human Services program in order to assist residents/applicants with the TANF welfare to work requirements. Approximately, 36 current residents as well as 7 applicants are expected to benefit from this partnership.

HUD Strategic Goal: Ensure Equal Opportunity in Housing for all Americans

PHA Goal: Ensure equal opportunity and affirmatively further fair housing

Objectives:

- _____ Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion national origin, sex, familial status, and disability:

- Reduce turnover time for vacated public housing units**
- Reduce time to renovate public housing units**
- Seek replacement of public housing units lost to the inventory through mixed finance development**
- Seek replacement of public housing units lost to the inventory through section 8 replacement housing resources**
- Maintain or increase section 8 lease-up rates by establishing payment standards that will enable families to rent throughout the jurisdiction**
- Undertake measures to ensure access to affordable housing among families assisted by the PHA, regardless of unit size required**
- Maintain or increase section 8 lease-up rates by marketing the program to owners, particularly those outside of areas of minority and poverty concentration**
- Maintain or increase section 8 lease-up rates by effectively screening Section 8 applicants to increase owner acceptance of program**
- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies**
- Other (list below)**

The Housing Authority will continue to maintain its proven effective management and maintenance policies in order to keep units on line and minimize turn around time. Further, the Housing Authority will continue to maintain the optimum mix of

applicants verses housing units available while monitoring for any significant changes in demand.

Strategy 2: Increase the number of affordable housing units by:
