## Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission. The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishments of our goal and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted local preferences for working families, seniors, the handicapped, peoples with disabilities and victims of domestic violence.
- We are screening applicants to the fullest extent allowable while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.
- Applicants will be selected from the waiting list by the housing authority's scoring system based on preferences.
- We have established a Minimum Tenant Rent of \$50.00 and implemented Hardship Exemptions policies.
- We have set payment standards between 90% to 110% of the current Fair Market Rents.

In summary, we are on course to improve the condition of affordable housing in

Myton City.

- Other: (list below)

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

In the Consolidated Plan for this area shown a substantial need for more subsidized housing, affordable home ownership programs, special needs housing (elderly, handicapped, disabled), transitional housing and housing rehabilitation programs. There are living conditions in the area that have deteriorated tremendously and have forced many families to move in with relatives, causing a strain on family relations, while other families find themselves living in substandard or inadequate housing.

Since the Housing Authority has not been involved in the preparation of the Consolidated Plan, the housing authority in partnership with the Uintah Basin Assistance Council, will be contracting with a consultant to provide an in-depth market analysis of the entire Uintah Basin area. The in-depth market analysis should provide a realistic perspective of the housing needs of the Myton City area. This market analysis should be completed by the end of 2000.

This year the housing authority should receive approximately \$105,719.00 for our existing Section 8 Voucher program. This funding will be used to provide rental assistance to as many families and individuals as possible. We intend to apply for any NOFA that will benefit the area through home ownership, special needs and multi-families projects. We will be looking into new and existing programs that will assist in the development of our Myton properties.

The Myton City Housing Authority goals are to carry out the housing needs that exist within Myton City. However, with the lack of resources to address our housing needs, the housing authority will apply for any additional funds that become available through federal, state, local, non-profit and private sources, to assist in providing additional affordable housing stock to the area.
