Minutes of the Resident Review Committee

For the Year 2000 5 Year and Annual Plans

July 23, 1999

Committee members present: Ann Andrus, Viola McGinn, Hannah Bucossi, Virginia Wright, Sandy Kane, Bill Chamberlain. Staff present: Chris Hart.

The meeting began at 1:30 in the Hayes Court Community Room.

The Committee conducted a page by page review of the Plan. All Committee members had read the Plan and all the accompanying documents.

Committee comments follow with responses where appropriate:

AmeriCorps is a good program conducted by nice staff.

It was requested that the Designation Plan be changed so that Section 8 Certificates/Vouchers can be made available to tenants in place.

Response: Chris will be submitting an amendment to the Plan and this will be included.

Is the total number listed for the Public Housing waiting list right?

Response: Yes. The waiting list was counted again and this number is correct.

There was a general discussion of Section 8. One committee member would like to see more Certificates/Vouchers come into the community.

Response: As noted in the Plan, the BHA is facing severe funding cuts from HUD and is experiencing a strain on its staff capacity because of the new HUD mandates. As a result, BHA will not be requesting additional Certificates for the next few years.

Safety: The activities the BHA has engaged in at each development has been beneficial to the safety of residents. Residents appreciate these actions and that BHA takes their safety seriously.

Committee members were surprised that pets – dogs and cats- were allowed in Public Housing and felt that they should be restricted.

The Committee felt that this was a good Plan, it was interesting reading and very detailed and thorough. They had nothing to add to it.

The Committee did not feel it needed to meet again. It recommended that the Plan be sent on to the hearing and review process as soon as possible.

The meeting adjourned at 3:30 p.m

ESTABLISHING PREFERENCES AND MANAGING THE WAITING LIST

Brattleboro Housing Authority Admissions and Continued Occupancy Policy Revised 5/28/99

Deconcentration. In accordance with the HUD mandate for deconcentration of lower incomes in higher income developments and higher incomes in lower income developments, the PHA will endeavor to maintain an income mix so that the overall income of each development is between 20 and 50% of median income.

The PHA will not concentrate very low-income families in one development or one building within a development.

The PHA shall keep an on-going record of its admissions and annually review the income mix at each development

If necessary to achieve the required deconcentration and income targeting requirements, the BHA will use skipping of waiting list applicants. Skipping will be used on a limited basis and only when necessary.
