## **1. Statement of Housing Needs**

[24 CFR Part 903.7.9 (a)]

The booming economy has done little to relieve the housing problems of low-income households. The supply of low-cost unsubsidized rental units continues to dwindle as rent increases outpace growth in

median incomes. The stock of subsidized housing units is also decreasing as owners opt out of federal subsidy in favor of high rents.

**A. Housing Needs of Families in the Jurisdiction/s Served by the PHA**

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being "no impact" and 5 being "severe impact." Use N/A to indicate that no information is available upon which the PHA can make this assessment.
