**ii. Executive Summary of the Annual PHA Plan**

[24 CFR Part 903.7 9 (r)]

The Mission of the Hartford Housing Authority (HHA) is to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination.

The overwhelmingly obvious housing need of the Town of Hartford is for additional affordable housing. Local rents average 10% higher than our already 10 % allowance over FMR's (Fair Market Rents) and the vacancy rate is below 1%. The housing shortage has become a crisis and is difficult for every income group, but extremely burdensome for the lowest income level renters. In 1990 census figures, 791 households in Hartford had less income than the median income for a family of 3 and potentially qualified for rental assistance. There were 592 households reporting paying more than 30% of their income for rent. As a direct result, homelessness is at record high levels.

With the good local economy, landlords do not find it advantageous to provide housing for low-income tenants. Once a low-income tenant moves, that apartment is open to the private sector for a higher rent and the stock is lost to us. The Hartford Housing Authority will undertake activities in support of their mission that will expand the supply of assisted housing, improve the quality of assisted housing we provide, increase housing choices, promote self sufficiency and asset development of those families in assisted housing, and ensure equal opportunity and affirmatively further fair housing.

- 2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)
  - The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s.
  - The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.

This Plan is consistent with the State of Vermont Consolidated Plan.

a) The first housing issue listed in the Consolidated Plan is “Affordable Housing Lacking in Vermont.” Windsor County is third in number of low-income households with unmet rental needs. Our Hartford, Vermont area, with expanding rental housing needs because of the surrounding communities economics, are loosing low-income housing units to the private sector. This plan seeks to obtain higher Fair Market Rents to continue housing our Section 8 participants in local housing. Working with our non profit entity, we plan to manage 10 units they intend to purchase.

b) The Consolidated Plan lists recent estimates of 9,000 households as living in severe to moderately substandard housing. This plan seeks to introduce landlords to the option and advantages of Community Development Grants and other sources to improve their housing stock.

- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with the initiatives contained in the Consolidated Plan. (list below)
- Other: (list below)

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

##### HARTFORD HOUSING AUTHORITY 2000 ANNUAL PLAN ATTACHMENT "F"

Hartford Housing Authority  
Resident Advisory Board  
Minutes of the Meeting April 13,2000

Present: Patricia Searles, Linda Carbino and Terry Chesbro, Director

Meeting called to order at 1:00 pm.

Terry Chesbro reviewed the information of the beginning of the Hartford Housing Authority. We were incorporated under state law in 1978 but the beginning was in October of 1977. At that time, the 5 Member Selectboard Resolved that there was a need for safe, sanitary dwelling accommodations in the Town of Hartford to persons of low income at rentals they can afford and that there is a need for a Housing Authority to function in the Town of Hartford. The Board went ahead and appointed 5 Commissioners in 1978 and the Authority became an entity of the Town of Hartford.

Terry went over each page of the Annual and 5 Year Plan and the Residential Board members followed with copies of their own. Discussion included comments regarding:

- 1) Allowing pets-Most landlords will allow one or two cats. Dogs can be a problem. Terry explained that if landlords let in a dog that threatens or bites a visitor or other tenant, the landlord can be liable for that damage to person or property.
- 2) Bad landlords-Linda commented on her experience with the landlord she is currently leaving who, she is sure, not going to return any of her Security Deposit. Terry said she would call him and try to make it clear that he must list any problems that he will deduct for and give a full accounting of the deposit.
- 3) Terry explained the difference of a Voucher and a Certificate. The Voucher allows a tenant to rent a better apartment in a better neighborhood than usually is available to Section 8 tenants, but they probably will have to pay more; up to 40% of their income. It was agreed by all 3 women that it is a hardship on the elderly and disabled to do that as their income is very low to begin with.
- 4) It was stated that more housing choices were needed in Hartford as all sizes of apartments are very hard to find.

Linda stated that she is member of the Turning Point Club and should we get a “Chore Core” in place, she was sure some volunteers could be recruited from the club.

Terry explained that they would meet again to review the plan after the public comments and public hearing.

Meeting adjourned at 2:45 pm.

### **ADVISORY BOARD MEETING**

Hartford Housing Authority  
Resident Advisory Board  
Minutes of the Meeting of June 22, 2000

This meeting was held after the Public Inspection May 1<sup>st</sup> through June 17, 2000 and The Public Hearing on June 21, 2000. (No one responded to either.)

Present: Linda Carbino and Terry Chesbro

Meeting called to order at 10:00 am.

As our other member, Patricia Searles has moved to Virginia, it was agreed to invite another Section 8 Participant to join us for the next meeting.

This meeting’s total topic was a discussion of landlord issues. Linda recently moved into a newly renovated main floor 2 bedroom apartment, close to her husband’s employment and The Turning Point Club where she volunteers. This housing change has made a huge difference in her family life and ability to walk everywhere. The previous landlord, after discussion of the return of most of the Security Deposit with the Section 8 office, did send her a check which was acceptable. The condition of the previous apartment was marginal and the Section 8 office passed on the information of the availability of the present apartment and helped set up this move. She expressed her appreciation for this help.

The meeting adjourned at 11:00 am.

Minutes by Terry Chesbro

NOTE: This Board will increase membership to 3 plus the Director for the Year 2001 Annual Plan development.
