#### **Agency Plan**

*Resident Advisory Board/Columbia Legal Services Recommendations:*

1. MISSION STATEMENT - Mission statement should clearly state that the agency will make a special effort to serve those at or below 30% area median income.
2. MISSION STATEMENT - Clearly state that we will develop, rehabilitate, and preserve housing for this population and take steps to eliminate discrimination.
3. GOAL - RAB recommended the agency identify specific goals to acquire, rehabilitate, and develop transitional, permanent, and supportive housing for extremely low and very low income families and those with special needs.
4. GOAL – take steps to increase housing choice by adopting a goal to review the adequacy of the Section 8 Fair Market Rents, Voucher Payment standards, and utility allowances.
5. GOAL - Make more of an effort to market the Section 8 program to landlords.
6. GOAL – adopt recommendations of RAB to increase involvement of participants and applicants in future years in the agency planning process.
7. GOAL – Establish a goal of entering into joint ventures with local, nonprofit organizations to develop additional transitional, supportive, or special needs housing in Cowlitz County. (already addressed in limited form in final goal)
8. ANNUAL PLAN – STATEMENT OF HOUSING NEEDS – revisit ranking for affordability for those >30% and elderly. Re-rank at maybe 4 or lower (page 6)
9. STRATEGIES – target more of Section 8 Vouchers to extremely low income families and drop federal preferences.
10. STRATEGIES – Consider taking steps to expand FSS program and contract with Kelso and Kalama to administer a county-wide FSS program.
11. STRATEGIES – use some Section 8 vouchers to develop alone or in partnership with other non-profits supportive housing for the developmentally disabled or mentally ill.
12. ELIGIBILITY, SELECTION & ADMISSIONS – recommend we weight certain preferences ahead of others, ie – families displaced by code enforcement or domestic violence. Also recommend we create a high preference for graduates of

transitional housing programs. If we continue use of current federal preferences, weight these preferences higher.

13. **ELIGIBILITY, SELECTION & ADMISSIONS** – create a preference for a certain number of families receiving case management from local agencies of this agency will agree to provide additional case management to some of our current participants, or agree to collaborate on an application for Shelter Plus Care as part of the next round of McKinney funding. Could also use such collaboration to build the network and begin a Welfare-to-Work program to successfully compete if such funding is approved in the future.
14. **PAYMENT STANDARDS** – page 26 – adopt a higher payment standard to enable participants to move outside areas of concentration if applicable. Also recommend agency periodically review and report on what percentage of families are unable to utilize Vouchers and are paying over 30% of monthly adjusted income (already included in plan)
15. **UTILITY ALLOWANCES** – commit to annual review of allowances to ensure energy conservative households do not regularly incur utility bills in excess of allowance. (We currently review annually, however this statement is not included in the plan) Consider setting allowance at other than “average” to help address the large number of families paying over 30% MAI.
16. **MINIMUM RENTS** – recommends dropping minimum rent requirement
17. **LEASE TERMS AND RENEWALS** – encourage families to enter into initial one-year tenancies. Recommend we give the participants opportunity to enter into annual lease renewals
