ATTACHMENT A

DECONCENTRATION POLICY

It is Green Bay Housing Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Green Bay Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, the income levels of census tracts in which our developments are located, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

Deconcentration Incentives

The Green Bay Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Offer Of A Unit

When the Green Bay Housing Authority discovers that a unit will become available, all households on the appropriate bedroom size wait list will receive a letter stating that a unit is available. A description of the unit will be included. The applicants will then be given 10 working days to respond to the letter or be taken off of the waitlist. Applicants who are interested will then be processed in preference and date/time order. Suitability requirements will also be verified at this time. The GBHA will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the

deconcentration goal and/or the income targeting goal and who meets the suitability requirements as stated previously.

The Green Bay Housing Authority will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Green Bay Housing Authority regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. *If the family rejects the offer of the unit, the Green Bay Housing Authority will send the family a letter documenting the offer and the rejection.*

Rejection Of Unit

If in making the offer to the family the Green Bay Housing Authority skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Green Bay Housing Authority did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will be forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school).

Acceptance Of Unit

The family will be required to sign a lease. Prior to signing the lease all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. At the orientation the lease, house rules, and other forms will be signed and keys will be given. The family will not be housed if they have not attended the orientation.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members and an authorized representative of the GBHA will be required to execute the lease prior to admission. The head of household is the person who assumes legal and financial responsibility for the household and is listed on the application as head. One executed copy of the lease will be furnished to the head of household and the Green Bay Housing Authority will retain the original executed lease in the tenant's file. The lease is incorporated into this policy by reference. The lease document will reflect current PHA policies as well as applicable Federal, State and Local law. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The following provisions govern lease execution and amendments:

- A. A lease is executed at the time of admission for all new tenants.
- B. A new lease is executed at the time of the transfer of a tenant from one Housing Authority unit to another.
- C. If, for any reason, any signer of the lease ceases to be a member of the household, an Addendum will be executed by a remaining adult member of the tenant family if the family is otherwise eligible for continued occupancy.
- D. Lease signers must be persons legally eligible to execute contracts. If no member of the household is qualified to sign a lease, a legal guardian may co-sign the lease, subject to GBHA approval.
- E. The names of all household members are listed on the lease at initial occupancy and on the Application for Continued Occupancy each subsequent year. Only those persons listed on the most recent certification shall be permitted to occupy a dwelling unit.

- F. Changes to tenant rents are made upon the preparation and execution of a "Notice of Rent Adjustment" by the PHA, which becomes an attachment to the lease. Documentation will be included in the tenant file to support proper notice.
- G. Households which include a Live-In Attendant are required to execute a lease addendum authorizing the arrangement and describing the status of the attendant.

The GBHA may modify its form of lease from time to time, giving tenants an opportunity to comment on proposed changes and advance notice of the implementation of any changes. A tenant's refusal to accept permissible and reasonable lease modifications, or those modifications required by HUD is grounds for termination of tenancy.

Requests for the addition of a new member of the household must be approved by the GBHA, prior to the actual move-in by the proposed new member.

- A. Following receipt of a family's request for approval, the PHA will conduct a pre-admission screening of the proposed new member. Only new members approved by the GBHA will be added to the household.
- B. Children born to a family member, children under the age below which Juvenile Justice records are not made available who are adopted by a family member, or who are added through a kinship care arrangement are exempt from the pre-screening process.

- 1.
- 2.

Household additions who are subject to screening:

- A. Resident plans to marry;
- B. Resident is awarded custody of a child over the age for which juvenile justice records are available;
- C. Resident desires to add a new family member to the lease, employ a live-in aide, or take in a foster child(ren).
- D. A unit is occupied by a remaining family member(s) under age 18 (not an emancipated minor) and an adult who was not a member of the original household requests permission to take over as the head of household.

Residents who fail to notify the GBHA of additions to the household, or who permit persons to join the household without undergoing screening, are in violation of the lease. Such persons are considered to be unauthorized occupants by the GBHA, and the entire household will be subject to eviction.

Family members age 18 and over who move from the dwelling unit to establish new households shall be removed from the lease. The tenant must notify the GBHA of the move-out within 14 calendar days of its occurrence.

- A. These individuals may not be readmitted to the unit and must apply as a new applicant for placement on the waiting list.
- B. Medical hardship or other extenuating circumstances will be considered by the GBHA in making determinations under this paragraph.

Visitors are permitted in a dwelling unit, provided they are reported to the Manager prior to their arrival. Visits not exceeding 14 days can be authorized by the manager. Visitors who remain beyond this period shall be considered trespassers, and their presence constitutes a breach of the lease.

Roomers and lodgers are not permitted to occupy a dwelling unit, nor are they permitted to move in with any family occupying a dwelling unit.

Residents are not permitted to allow a former tenant of the PHA who has been evicted to occupy the unit for any period of time.

Residents must advise the GBHA when they will be absent from the unit for more than 14 working days and provide a means for the GBHA to contact the resident in the event of an emergency. Failure to advise the GBHA of extended absences is grounds for termination of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit will be equal to one month of the full ceiling rent for family units and at Mason Manor they will use the following schedule:

Bedroom size	Security Deposit
1 Bedroom	\$ 200
2 Bedroom	\$ 250

In exceptional situations, the Green Bay Housing Authority reserves the right to allow a new resident to pay their security deposit in accordance with the repayment agreement policy found in section 19. One half shall be paid in advance, with the remaining payments broken out. This shall be at the sole discretion of the Housing Authority.

The GBHA will refund to the Tenant or his/her designee the amount of the security deposit, less any amount needed to pay the cost of unpaid rent, damages listed on the move-out inspection report that exceed normal wear and tear; other charges under the Lease. The GBHA will refund the Security Deposit less any amounts owed, within 21 days after move out and tenant's notification of new address. A list of charges will be included. If the tenant disagrees with the amount charged to the security or pet deposits, the GBHA will provide a meeting to discuss the charges.

The resident must leave the dwelling unit in a clean and undamaged (beyond normal wear and tear) condition and must furnish a forwarding address to the GBHA . All keys to the unit and/or building keys must be returned to the Management upon vacating the unit. The GBHA will not use the security deposit for payment of rent or other charges while the tenant is living in the unit.

In the case of a move within public housing, the security deposit for the first unit will be returned less any charges associated with damages. A new security deposit will be collected for the second unit. Additionally, if the security deposit for the second unit is greater than that for the first, the difference will be collected from the family.
