ii. Executive Summary of the Annual PHA Plan

EXECUTIVE SUMMARY

The Morgantown Housing Authority has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Morgantown Housing Authority.

The mission of the Housing Authority of the City of Morgantown is to assist low-income families with safe, decent, and affordable housing opportunities as they strive to achieve self-sufficiency and improve the quality of their lives. We are committed to operating in an efficient, ethical, and professional manner. We will create and maintain partnerships with our clients and appropriate community agencies in order to accomplish this mission.

We have also adopted the following goals and objectives for the next five years.

Goal One: Expand the range and quality of housing choices and programs available to participants in the Morgantown Housing Authority's tenant-based assistance program.

Objectives:

1. The Morgantown Housing Authority shall establish a program to help at least 35 qualified and interested people to use the tenant-based program to become homeowners by December 31, 2004.
2. The Morgantown Housing Authority shall sustain and achieve a utilization rate of 98% by December 31, 2004 in its tenant-based program.
3. The Morgantown Housing Authority shall attract 50 new landlords who want to participate in the program by December 31, 2004.
4. The Morgantown Housing Authority shall improve the quality of available housing to participants through providing at least three landlord education and training seminars each year and establishing three new higher Housing Quality Standards each year..

Goal Two: Manage the Morgantown Housing Authority's Homeownership Program in an efficient, effective, professional and progressive manner and to provide eligible applicants an increased opportunity for homeownership.

Objectives:

1. The Morgantown Housing Authority will continue to rehabilitate or construct four houses per year for eligible homeownership applicants.
2. The Morgantown Housing Authority shall look for innovative and creative financing means to assist families in becoming homeowners by partnering with at least one new financial institution per year.
3. The Morgantown Housing Authority shall increase customer satisfaction and services for its client base as documented by an increasing score on a Customer Satisfaction Survey.
4. The Morgantown Housing Authority in partnership with the Fairmont Housing Authority will strive to develop a Homeownership Center to construct, market, and finance homes for eligible families by the year 2002.
5. To maintain a client base mortgage default rate lower than the national average.

Goal Three: To develop the Morgantown Housing Authority into the housing “one stop shop” for all assisted housing needs in the jurisdiction.

Objectives:

1. To develop a close working relationship with the City of Morgantown to facilitate the obtainment of Small Cities Block Grant Funds for housing programs.
2. To work with all existing housing providers to assist them in providing services and to establish a network of information dissemination to consumers and the community.
3. To promote the services of the Morgantown Housing Authority and to establish a database of housing needs in the community and to coordinate efforts to meet these needs.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have established a flat rent for the Homeownership Program.
- We will continue with a minimum rent of \$25 for Section 8 Programs.
- We have adopted an aggressive tenant-based screening process to minimize criminal activity.
- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have updated all policies and procedures to be in compliance with the Quality Housing and Work Responsibility Act of 1998.
- We have identified areas of housing need and will work toward the development of programs and activities to address the need.
- We will be utilizing the published FMR’s as our Section 8 payment standard.
- We will work toward the development of the Morgantown Housing Authority as the “one stop shop” for assisted housing needs.

In summary, we are on course to improve the condition of affordable housing in Morgantown.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

[24 CFR Part 903.7 9 (a)]

NEEDS ASSESSMENT

The Quality Housing and Work Responsibility Act of 1998 requires that housing authorities set forth in our Annual Plan a Needs Assessment of the housing needs of our jurisdiction and our waiting list. Also, we are required to state how we intend to address these needs.

Attached is the information contained in the Housing Needs Section of our Consolidated Plan. It shows there is a significant need for additional affordable housing resources in our community. Also, per the requirements, we have attached data and tables that provide an analysis of our waiting list.

The information was analyzed in the following manner. Information was gathered for the City of Morgantown Consolidated Plan and the Morgantown Housing Authority waiting list. This information was reviewed from the perspective of the required groups and for the factors set forth in the Interim rule. Finally we consulted with the Planning Office of the City of Morgantown to ensure their concurrence with the overall need analysis.

The Morgantown Housing Authority used this analysis to prepare our five-year goals and objectives. It reflects our priorities that we have set forth in our Mission Statement.

The Morgantown Housing Authority is part of the entire effort undertaken by the City of Morgantown and the county of Monongalia to address our jurisdiction's affordable housing needs. As stated above, the need for housing includes an increase in rental housing for very low to moderate income residents, a high quality of housing, more housing resources for the elderly and disabled populations, and more homeownership opportunities for very low to low income families and home repair/rehabilitation programs for very low to moderate income owner occupied residences.

While we cannot ourselves meet the entire need identified here, in accordance with our goals included in this Plan, we will try to address some of the identified needs by using appropriate resources to maintain and preserve our existing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to help add to the affordable housing available in our community. We intend to work with our local partners such as the City of Morgantown, Habitat for Humanity and other groups to try to meet these identified needs.

This year, we expect to receive **\$1,091,600** for our existing programs (**refer to section on financial resources**). We will continue to use those resources to house people. At this time we intend to apply for funding through the West Virginia Development Fund's HOME Program for an additional 16 number of units of rental housing for low-income families. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may also change over the coming year if there are program changes beyond our control.

Based upon the information contained in the Consolidated Plan/s applicable to the jurisdiction, and/or other data available to the PHA, provide a statement of the housing needs in the jurisdiction by completing the following table. In the "Overall" Needs column, provide the estimated number of

renter families that have housing needs. For the remaining characteristics, rate the impact of that factor on the housing needs for each family type, from 1 to 5, with 1 being “no impact” and 5 being “severe impact.” Use N/A to indicate that no information is available upon which the PHA can make this assessment.
