C. Strategy for Addressing Needs

Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list **IN THE UPCOMING YEAR**, and the Agency's reasons for choosing this strategy.

Due to having no waiting list, we will make people more aware of our rental units and

Seek additional applicants. As we are a high-rise apartment building with efficiency

And one bedroom apartments, we can only take families no larger than two(2). For the
Past few years, the demand for apartments for 1 and 2 member families in this area has
Decreased due to more housing developments in the area.

(1) Strategies

- Reduce time to renovate public housing units
- Seek replacement of public housing units lost to the inventory through mixed finance development

- Participate in the Consolidated Plan development process to ensure coordination with broader community strategies
- Other (list below)

Strategy 2: Increase the number of affordable housing units by:

Select all that apply

- Apply for additional section 8 units should they become available
- Leverage affordable housing resources in the community through the creation of mixed - finance housing
- Pursue housing resources other than public housing or Section 8 tenant-based assistance.
- Other: (list below) With our waiting list at an all time low, we feel we have adequate housing available.

Need: Specific Family Types: Families at or below 30% of median

Strategy 1: Increase awareness of PHA resources among families of races and ethnicities with disproportionate needs:

Select if applicable

- Affirmatively market to races/ethnicities shown to have disproportionate housing needs
- Other: (list below)

Strategy 2: Conduct activities to affirmatively further fair housing
