Resident Advisory Board Comments

The following are comments, suggestions, and/or recommendations made by members of the Resident Advisory Board that met on March 22, 2000, and again on April 5, 2000, to review the Raleigh County Housing Authority's proposed Agency Plan:

1. Security cameras should be installed in the public housing development (Note: This suggestion was adopted and has been included as a goal in the agency plan)
2. Security guards should patrol the public housing developments (NOTE: because of cost constraints, this suggestion was not adopted for inclusion in the agency plan)
3. There should be a Neighborhood Watch program in the public housing developments (NOTE: This suggestion was adopted and has been included as a goal in the agency plan)

4. A priority should be given for admission to victims of domestic violence, but the victim must agree to sign a statement saying the offender will not be permitted in the unit (NOTE: This suggestion will be considered as an amendment to the Admissions and Continued Occupancy Policy)
5. Residents should be able to move from one public housing development to another if they so desire (NOTE: This suggestion was not adopted because of the expense involved)
