## **C. Criteria for Substantial Deviation and Significant Amendments**

### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

Substantial Deviation Policy

Policy defining a substantial deviation and change in the agency plan

The Housing Quality and Work Responsibility Act of 1998 requires the Housing Authority to notify the Resident Advisory Board, Board of Commissioners and the U S Department of Housing and Urban Development of any “substantial deviation” or “significant amendment” and meet a full public process requirements.

This would include any changes in rent or admission policies or organization of the waiting list, additions of non-emergency work items (items not included in the current Annual Statement or 5-Year Action Plan) or change in use of replacement reserves under the Capital Fund, and any changes with regard to demolition or disposition, designation, homeownership programs or conversion activities, and additions of new activities not included in the current PHDEP Plan.

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements: such changes will not be considered significant amendments by HUD.

#### **B. Significant Amendment or Modification to the Annual Plan:**

Revised CIAP 1999 and CFP 2000 see attachments.
