This year we have not been able, due to funding constraints, to create additional housing opportunities or build any new units. We continue attempting to improve our management (PHAS) scores and to increase the satisfaction of our residents. This year we did complete the modernization of 28 apartments at the Malone Court site. We intend to continue modernization of the remainder of our units with new HVAC systems. Security patrols are part of our PHDEP program and continue to play a significant role in crime reduction and resident safety. Promoting the self-sufficiency and asset development of our residents is a long-term process, but we have memorandums of understanding with local GED providers and an emergency care center for food, clothing, and financial assistance. We have and will continue to ensure that we proactively promote equal opportunity in housing for both our current and potential residents.
