The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

This Authority defines a “Substantial Deviation” to the 5 year and Annual Plan as any addition or deletion of any new or old program or activity, changes to rent or admission policies. A substantial decrease of funds in the Capital Fund Program that would eliminate or modify modernization work items that have already been approved and that would require the Board of Commissioners to establish priorities for the required modernization work based on the availability of funds.

B. Significant Amendment or Modification to the Annual Plan:

A “Significant Amendment” would be the addition of emergency and non-emergency work items that were not included in the 5 year or Annual plan, but require immediate attention to correct potential problem areas.
