C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan: shall mean any action taken by the PHA that changes or modifies:

- 1 Rent or admission policies or organization of the waiting list;**
- 2 The Capital Fund Program plan either through the addition or deletion of items or projects from the list o planned activities or change in use of replacement reserves funds under capital Funds; and**
- 3 Panned demolition or disposition, designation, homeownership programs or conversion activities.**

Exceptions. Exceptions to this definition will be made for any for the above actions that are made to reflect a change in HUD regulatory requirements.

B. B. Significant Amendment or Modification to the Annual Plan: shall mean any action taken by the PHA that changes or modifies:

- 1 Rent or admission policies or organization of the waiting list;**
- 2 The Capital Fund Program plan either through the addition or deletion of items or projects from the list o planned activities or change in use of replacement reserves funds under capital Funds; and**
- 3 Panned demolition or disposition, designation, homeownership programs or conversion activities.**

Exceptions. Exceptions to this definition will be made for any for the above actions that are made to reflect a change in HUD regulatory requirements.

General. For the purposes of the 5 Year and Annual Public Housing Agency Plan any substantial deviation or significant amendment or modification to the plans will be subject to the review of the Resident Advisory Board and Full public hearing process requirements.
