This PHA's PHDEP Plan for FY 2000 is to continue our Operation Stonewall Program which consists mainly of preventive measures including programs to address at risk youths, agreement for additional police services above the baseline services, back ground screening and zero tolerance eviction policy. This program has been very successful for several years and continues to prevent the influx of high crime and drug related activity in our developments.

### **E. Target Areas**

Complete the following table by indicating each PHDEP Target Area (development or site where activities will be conducted), the total number of units in each PHDEP Target Area, and the total number of individuals expected to participate in PHDEP sponsored activities in each Target Area. Unit count information should be consistent with that available in PIC.

PHDEP Target Areas (Name of development(s) or site)	Total # of Units within the PHDEP Target Area(s)	Total Population to be Served within the PHDEP Target Area(s)

**Section 2: PHDEP Plan Goals and Budget**

**A. PHDEP Plan Summary**

Due to the limited funds available for this small, high performing PHA our preventing program will consist of reimbursement for additional police patrols above the baseline and hiring a program coordinator who will coordinate prevention activities with internal and external sources to meet the overall objective of this program—preventing the influx of drug, criminal, and gang activity.
