24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A modification to the Annual Plan shall be considered to be a substantial deviation from the Five Year Plan when the objectives set forth in such modification are in direct conflict with the objectives set forth in the Five Year Plan as those objectives pertain to resident admissions or the use of housing stock. Additions or modifications to the Annual Plan, which are not in direct conflict with the above stated objectives, shall not be considered as substantial deviations. In such cases where a substantial deviation shall arise, the Agency shall explain the reasons for such deviation with the body of its Annual Plan, insuring full public process for the proposed plan.

B. Significant Amendment or Modification to the Annual Plan:

An amendment to the Annual Plan shall be considered significant if, and only if, it constitutes:

- (1) Such a substantial change in rent, admission policy, or waiting list organization as to be tantamount to a repudiation of existing policy, or
- (2) Such a change in this Agency's demolition or disposition policy as to result at a minimum in the loss of 10% of existing housing stock from this Agency's heretofore expressed housing mission.

No other modification to the Annual Plan shall be considered as a significant amendment to that plan.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The overall goal of our PHDEP program is to reduce/eliminate drug-related crime and other Part I and Part II crimes, and to ensure that the needs of the children living in public housing are met. One of our objectives is to provide academic enrichment in the form of homework assistance and subject specific tutoring. Through PHDEP resources and other assistance from within our community we hope to better assist our residents who are in pursuit of educational, vocational, and economic goals. The PHDEP funded activities are coordinated by the Grant Coordinator, who is directly supervised and evaluated by the Executive Director and the Board of Commissioners. All three work together in monitoring and evaluating all PHDEP-funded activities.
