B. Eligibility type (Indicate with an “x”) N1 _____ N2 _____ R ___ X ___

C. FFY in which funding is requested 2001

D. Executive Summary of Annual PHDEP Plan

In the space below, provide a brief overview of the PHDEP Plan, including highlights of major initiatives or activities undertaken. It may include a description of the expected outcomes. The summary must not be more than five (5) sentences long

The Conway Housing Authority is requesting \$37,836.00 for the reimbursement of one full-time senior officer to maintain the on-site police substation at 425 South Davis Street. This substation is located in the multi-family site and was established in 1990. This award winning site was the first substation of its kind in the state. The Housing Authority has a 50% turnover each year, without the substation the residents would quickly lose their sense of security and the criminal element would quickly return to our public housing.

E. Target Areas

Complete the following table by indicating each PHDEP Target Area (development or site where activities will be conducted), the total number of units in each PHDEP Target Area, and the total number of individuals expected to participate in PHDEP sponsored activities in each Target Area. Unit count information should be consistent with that available in PIC.

Section 2: PHDEP Plan Goals and Budget

A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

The Conway Housing Authority and the Conway Police Department’s Community Policing is going through many changes with a new Police Chief being hired January 8,2001. Conway is now being divided up into sections and with that the two CHA sites are in different sections. The multi-family site will be handled by senior Police Officer, Mike Gibbs and Oakwood (elderly site) will be handled by the city’s other police substation. The officers will attend monthly resident meetings, do bike and walking patrols, reactivate the resident patrol and

combat criminal activity, on a daily basis. There will be code enforcement and no trespassing rules, strictly enforced, by limiting access to the developments. The Housing Authority’s evaluation team will consist of the Site Managers, Community Police Officers, Maintenance Supervisor, Executive Director and the Commander of the Patrol Division, these individuals will meet at least quarterly.
