ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

In the process of trying to get this Small PHA Annual Plan submitted, there may be some information that was not added to this plan due to change. There was a plan that was sent to HUD with all information on it but the templates were not able to be read. Myself, Beth Freeman (HUD Little Rock) and Jamie from the Seattle office have been working to try to get a template that would work for some weeks now. As of this date we have been working for many weeks to re-submit a plan but have failed due to the templates would not allow us to enter data and were always scrambled. I sent our original plan in February 2001, and I would like for that date to be the one used because the trouble was not Mammoth Spring Housing Authority’s fault. I tried every template that was sent to our Authority and had no luck. All information on this plan is the information that was submitted in February. Some things may have changed since then.

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan.
