ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

This Plan includes the Annual Plan and Five-Year Plan of the White River Regional Housing Authority (WRRHA). It was prepared in accordance with the Quality Housing and Work Responsibility Act and subsequent regulations of the Department of Housing and Urban Development and contains the major housing goals of this organization for its Low Income Public Housing Program, Capital Fund Program, and Section 8 Rental Assistance Program. The Annual Plan is applicable to the Fiscal Year beginning July 1, 2001 and the Five-year Plan covers the Fiscal Years 2001 through 2005.

Major highlights of this Plan include: regional needs assessment of low income public housing in this ten-county area and the impact of various housing factors on the population of this area; data on current program waiting lists and various strategies the agency will use in addressing the needs in its ten-county service area; the agency's policies and admission rules regarding its various housing programs and how rental costs are established; coordination efforts with area communities; and plans for capital improvement needs of the agency's public housing projects.

These documents also contain information relative to the amount of total financial resources the agency expects to use toward its housing goals in the Fiscal Year beginning July 1, 2001. These resources amount to approximately 5.2 million dollars. These documents will be available for public review and comment for a 45-day period beginning February 12, 2001 through March 28, 2001. Details of the plan availability will be advertised in a statewide newspaper. Public hearing for comments on the Plan will be held March 29, 2001.

RESIDENT SURVEY FOLLOW-UP PLAN

Based on the results of the Customer Service and Satisfaction Survey conducted as a component of the Public Housing Assessment System (PHAS), two sections with scores below 75% required a follow-up plan which details corrective actions to be taken by our PHA to address problem areas. Following is our Agency's follow-up plan in these areas:

Communication Section – Since clear communication of services, procedures, other neighborhood-related issues and activities is a critical component in the success of the public housing program, the Agency has taken several steps to make improvements in this area. They include: (1) establishing a Resident Advisory Board (RAB) by appointing all residents to the RAB since prior attempts to establish one by voluntary membership failed; (2) informing RAB members of and conducting a meeting of the RAB to solicit comments and suggestions from residents; (3) emphasizing to PHA staff the importance of communication with residents at managers' meetings; (4) establishing improved internal PHA communications; (5) emphasizing to PHA staff the importance of insuring residents receive written policies and procedures; (6) notifying residents of improvements being made and being planned for the development including soliciting their input to the PHA Plan.

Safety Section – Improvements in the area of safety have included: (1) encouraging communication from residents regarding their concerns by conducting RAB meeting; (2) increasing contact with local law enforcement officials to encourage increased patrol and familiarity with residents; (3) emphasis to managers regarding reporting of all criminal activity to local police authorities; (4) inclusion of screening process to identify individuals who do not meet criteria for admission as residents; (5) inspection of developments and individual units for adequate lighting in common areas and outside door locks.

ATTACHMENT D

MEMBERSHIP OF THE RESIDENT ADVISORY BOARD

All residents of Public Housing

All Section 8 Housing Choice Voucher Residents

Since no response was received from residents in prior attempts to establish a RAB, the Agency notified all residents of Public Housing and all Section 8 Housing Choice Voucher residents of their appointment to the Resident Advisory Board by letter dated January 2, 2001 and notice of a meeting to be held January 24, 2001 to provide adequate opportunity to comment on the Plan.

ATTACHMENT E

RESIDENT MEMBERSHIP OF THE PHA GOVERNING BOARD

White River Regional Housing Authority meets the “small PHA” exception to the requirement for a resident member on the governing Board because we have less than 300 public housing units. However, White River Regional Housing Authority provided reasonable notice to the RAB through a letter dated January 2, 2001 and at a RAB meeting of January 24, 2001 informing residents of the opportunity to serve on the Board. No resident has notified White River Regional Housing Authority of his/her intention to participate on the Board.

ATTACHMENT F

**STATEMENT OF PROGRESS IN MEETING
5-YEAR PLAN MISSION AND GOALS**

White River Regional Housing Authority's mission is the same as that of the Department of Housing and Urban Development: to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination. Progress in meeting this mission has been accomplished by continuing to house residents in low-income public housing units; providing and improving the conditions of those units; and maintaining high lease-up rates in the Section 8 Housing Choice Voucher program.

The PHA's goals of increasing the availability of decent, safe, and affordable housing; improving community quality of life and economic vitality; promoting self-sufficiency and asset development of families and individuals; and ensuring equal opportunity in housing for all have been accomplished in many ways. Those include applying for and receiving an additional 100 fair-share allocation of vouchers; reducing public housing vacancies to the extent possible; creating additional housing opportunities with the HOME tenant-based rental assistance program; increasing voucher payment standards to HUD's maximum allowable rate of 110% of published fair-market rents; using Capital Fund Grant funds to the maximum extent possible to improve quality of life in public housing developments; and establishing new community service requirements policy for low-income public housing residents.
