## ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

### 1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs in last year's PHA Plan that are not covered in other Sections of this Update.

The Franklin County Public Housing Agency Section 8 Waiting List has 111 persons on it. This works out to be about an eighteen month wait before a family can be approved for the program after they initially apply. The following strategies shall be used to shorten the waiting time to get on the rental assistance program: First, the waiting list will be purged every three months. This will mean that each applicant will be contacted and asked to indicate if they are still interested in getting on Section 8 Rental Assistance. Those who do not respond will have their names removed from the waiting list. Secondly, efforts will be made to effectively market the Section 8 Rental Assistance Program to landlords in the County. This will be done by emphasizing the advantages of renting through the Section 8 Program and by effectively screening applicants so landlords will be more accepting of the program. Thirdly, special purpose vouchers will be applied for when they become available. By using these strategies, it is hoped that the waiting list will be shortened and applicants will not have to wait so long to be placed on the program.

Franklin County Section 8 is eligible for eight (8) Family Self-sufficiency participants and currently there are eight (8) participants on the program.

It may be observed that the number of minority participants in Franklin County is very low. This is because the number of minorities in the County is very low. African Americans make up less than 1% of the population of Franklin County. There is also less than 4% Hispanic and other minorities in the County. It shall be the goal of the Franklin County Section 8 Program to continue marketing the program during FY 2001, so that if minorities desire to participate, they will know about the program.
