ii. Executive Summary of the Annual PHA Plan

[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The subject Plan represents the total picture for the Baldwin Park Housing Authority (BPHA), including the Section 8 Program and the 12 units of Public Housing. Because the Authority is an area wide Housing Authority, the Plan includes the housing needs of the cities of Baldwin Park, El Monte, Monrovia, South El Monte and West Covina. The Public Housing units only exist in the City of Baldwin Park and none in the other cities.

Because the Authority is a small PHA, it intends to take a moderate approach in meeting housing needs of the community. In this Plan, the BPHA further refines its vision and makes some changes and modifications to the Annual Plan, as well as to the Five Year Plan

Summary of Policy or Program Changes for the Upcoming Year

Update Strategy 1: Target available assistance to families at or below 30% of AMI, delete the strategy to exceed HUD federal targeting requirements for families at or below 30% of AMI in tenant-based Section 8 assistance.

Under Section 8 (1) Eligibility: the BPHA will share the following information with prospective landlords: name, address and telephone number of prior landlord, if known.

Under Section 8 (4) Admissions: the BPHA does not plan to exceed 75% targeting of households at or below 30% of AMI.

In Fiscal Year 2001-2002, the BPHA will investigate the feasibility of Voucher Homeownership with Lenders and, if feasible, will implement Voucher Home Ownership.

The BPHA has also created definitions for Substantial Deviation from 5-Year Plan and for a Significant Amendment or Modification to the Annual Plan.

RESIDENT ADVISORY BOARD COMMENTS

Summary of Program Changes

Residents stated the proposed changes were good and were in agreement with them.

All residents were very supportive of feasibility study of Section 8 Home Ownership in the Voucher program. One said it would be “magnificent” if it could be accomplished.

Capital Improvements

Residents understood the need to move funds into Operations in order to make funds easier to use through the Capital Fund Program.

Residents were supportive of proposed changes. One resident reiterated that they would like to have a shaded patio, but felt there was no space that would accommodate the request. One resident added that they would like to see the garden improved. Staff will look into the feasibility of a patio—but space is a problem. Staff will follow up with landscapers regarding the garden.

Criteria for Substantial Deviation and Significant Amendments

Residents were in agreement with both proposed amendments. Felt it was an appropriate balance.
