“The Mission of HACB is to develop---

Goal 1 Acquire and develop new housing which responds to identified community affordable housing needs .

“---and manage---

Goal 2 Effectively manage current operations and future growth.

Goal 3 Maintain a portfolio of a minimum of 1,000 units which are affordable to very low-income people.

---and seek our service partnerships to contribute to a healthy quality of life and a sense of community.”

Goal 4 **Strive to create a sense of community in all properties HACB builds, owns, and manages.**

Goal 5 **Be responsive to housing and welfare reform initiatives and seek program opportunities that encourage self-sufficiency.**

Goals, Objectives and Timeline 2001 - 2005

HACB's goals and objectives support the Mission: "*--- to develop and manage affordable housing for people of low and moderate incomes; add to both affordability and sustainability of its portfolio by building and/or acquiring new housing; and seek out service partnerships to contribute to a healthy quality of life and a sense of community at each of its properties.*"

GOAL 1: ACQUIRE AND DEVELOP NEW HOUSING WHICH RESPONDS TO IDENTIFIED COMMUNITY HOUSING NEEDS.

GUIDING PRINCIPLES:

- Pursue a mixed-income strategy in which at least 20% of new development will provide housing for households earning < 60% of AMI.
- Evaluate every development for the opportunity to provide the maximum number of units affordable to households earning < 30% AMI.
- Work in partnership with the private sector, non-profits and service agencies to develop housing that is affordable and appropriate for the community.
- Work collaboratively with the larger Boulder community, and utilize existing information sources, to identify housing needs.
- Continue to provide housing that is affordable to entry level and service workers.

ACTION OBJECTIVES :

Years 1999 - 2000

- a) Develop the Drive-In-Theater (4650 Broadway) so that 35% of the units are permanently affordable to low and moderate income households.
- b) Develop the Foothills property so that 40% of the units are permanently affordable to low- and moderate-income households.
- c) When possible, acquire properties in geographic areas within the city of Boulder where there are a limited number of affordable units, and where services, shopping, public transit, schools and employment are in close proximity.
20 Units or more per year

Year 2000+

- d) Evaluate the feasibility of acquiring temporary housing units for families at the top of HACB's waiting list to facilitate a more rapid turn over of units in the public housing portfolio.

GOAL 2: EFFECTIVELY MANAGE CURRENT OPERATIONS AND FUTURE GROWTH.

GUIDING PRINCIPLES:

- Enhance asset management and capital improvement-planning strategies.
- Increase and maintain staff development opportunities.
- Selectively invest operating reserves in current and new development and current operations.

- Complete computerized budget process
 - Complete records storage project

- g) Evaluate the opportunity to redevelop public housing properties consistent with a mixed-income strategy, assuring, however, that redevelopment will not result in a loss of housing that is affordable to the current households served by the public housing program.
- h) Establish a non-profit organization to provide HACB with more flexibility in shifting its reliance on the federal government to the greater community.

GOAL 3: MAINTAIN A PORTFOLIO OF A MINIMUM OF 1,000 UNITS WHICH ARE AFFORDABLE TO VERY LOW-INCOME PEOPLE.

GUIDING PRINCIPLES:

- Pursue rent strategies in which rents are set as low as possible and can sustain operations with or without HUD subsidy.
- Structure new development so it breaks even in the first three years of operation and generates cash flow that can be used to provide financial support to those properties whose rental income is insufficient to sustain operations.
 - Evaluate entrepreneurial activities which would support the continued provision of quality, community-based housing for people of low incomes and would also create employment opportunities for our residents.
 - Enhance the partnership with the City of Boulder so that policies become more favorable toward the production and retention of housing that is affordable to low-to- moderate-income households, and to the increase of the land supply and resources devoted to housing.

ACTION OBJECTIVES:

Evaluate a strategy in which assisted units and moderate units are mixed and distributed across the entire portfolio.

GOAL 4: STRIVE TO CREATE A SENSE OF COMMUNITY IN ALL PROPERTIES HACB BUILDS, OWNS, AND MANAGES.

GUIDING PRINCIPLES:

- c) In response to the results of the RASS Customer Service and Satisfaction Survey, the Housing Authority will continue to work on upgrading and increasing lighting on sites and identifying and implementing environmental design techniques that will help reduce the likelihood of crime.
- d) In response to the results of the RASS Customer Service and Satisfaction Survey, the Housing Authority will strive in 2001 to increase its communications with residents through the quarterly newsletter and site notices. Construction and maintenance work will also be communicated through notices in both English and Spanish.

GOAL 5: BE RESPONSIVE TO HOUSING AND WELFARE REFORM INITIATIVES AND SEEK PROGRAM OPPORTUNITIES THAT ENCOURAGE SELF-SUFFICIENCY.

**ACTION OBJECTIVES:
Years 1999 - 2000**

[24 CFR Part 903.7 9 (r)]

Executive Summary

This Annual Plan covers the period January 1, 2001 through December 31, 2001. It is written in eighteen sections, as described in the Table of Contents. All sections are included in this submittal.

Our preparation of this Plan began in 1998 with a strategic planning process. The result of that process was both a Business Plan and a Strategic Plan. The Strategic Plan is submitted in its entirety as the "Five Year Plan".

Our Annual Plan says that Boulder will continue to be an expensive housing market, requiring family incomes greater than \$100,000 to purchase a home and greater than \$35,000 to rent a two-bedroom apartment. The Housing Authority will continue to effectively manage our existing inventory of 505 assisted housing units, 300 reduced rent and market units and 500 Section 8 vouchers. At the same time, we will actively contribute to the City's goal of making 10% of its housing stock affordable by acquiring and developing new property.

Our Annual Plan references all of the new changes required with the adoption of the 1998 Quality Housing and Work Responsibility Act.

Our Annual Plan states that the HACB will project-base twenty-one vouchers for the Foothills Development. This enables Section 8 participants to have a wider selection of housing choice in the City of Boulder.

The Public Hearing on this plan was held on September 11, 2000 at 6:30 pm at 700 Walnut, Canyon Pointe Apartments.
