HOMEOWNERSHIP CAPACITY

On October 22, 1999 Supportive Housing & Homeless Programs submitted a letter to Secretary Lucas requesting authority to develop a Section 8 homeownership program for persons with disabilities and other special needs using Section 8 vouchers under the draft rule 24 CFR Parts 982 and 984, docket number FR-4427-P-01.

In its' proposal to HUD, SHHP demonstrated the capacity to administer a homeownership program and addressed key issues for HUD to consider:

- A. Underwriting guidelines
- B. Private contractor and Housing Quality Standard Inspections
- C. Mortgage default
- D. Homeownership counseling
- E. Choice of home
- F. First time homebuyer exemptions

In a letter dated January 3, 2000, HUD authorized SHHP to conduct a Section 8 homeownership demonstration in accordance with the statute and HUD's Section 8 homeownership proposed rule.

SHHP has demonstrated capacity to administer a homeownership program as evidenced by the fact that as of March 1, 2001 five disabled families were successful in purchasing homes using Section 8 assistance. An additional five will close in the next 2-3 months. There are another 20 families who have requested using their voucher for homeownership assistance. SHHP will meet or exceed its' goal in the demonstration program of assisting a minimum of 10 families in obtaining a home within one year.

SHHP expects to continue implementation of the program under the demonstration phase for at least one more year before HUD requires administration of the program under the final rule as published in the FR September 12, 2000.
