## **DECONCENTRATION POLICY**

It is the Authority's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

## Section 2: PHDEP Plan Goals and Budget

### A. PHDEP Plan Summary

In the space below, summarize the PHDEP strategy to address the needs of the target population/target area(s). Your summary should briefly identify: the broad goals and objectives, the role of plan partners, and your system or process for monitoring and evaluating PHDEP-funded activities. This summary should not exceed 5-10 sentences.

**The goals of the Housing Authority of the City of Danbury Drug Elimination Plan strategies are to reduce the demand for and the supply of illegal drugs in our public housing communities. Objectives are: 1) to provide residents with knowledge and skills and opportunities they need to reject illegal drug involvement, 2) provide residents with opportunities which promote peer, school, family and community bonding, 3) increase residents access to locally based substance abuse treatment, aftercare, and other ancillary services; 4) increase resident’s sense of safety and security within the three targeted public housing sites; 5) continue to enforce “One Strike You’re Out” policy through effective criminal records screening, Resident Selection interviews and New Resident Orientation processes. Plan partners will assist in providing the various classes, forums and family counseling services. In addition to local agency support the Police Department will provide “above-baseline” car and foot patrols in the targeted areas and make analysis of need for services based on crime data collected. They will also provide workshops on safety issues in and around public housing.**

## Implementation of Public Housing Resident Community Service Requirements

The Housing Authority will send letters to all family units outlining the requirements for each adult member to provide eight (8) hours of community service or economic self-sufficiency activities a month. The letter will list the exemptions for individuals who need not fulfill the requirement, but will also provide the notice that, unless advised otherwise, the Authority will presume all adult family members will be required to complete and provide verification of the obligation.

In the meantime, the Housing Authority will make the required changes to the Lease and issue same for the 30-day comment period.

Tenants will be advised that they will be required to submit evidence of community service 30 days prior to annual recertification (or for those on flat rents, when the recertification would have occurred). The Housing Authority will conduct third-party verification of the statements received regarding community service and proceed with any required action.

The community service requirements are detailed in full in the Housing Authority's Admissions and Continued Occupancy Policy.
