Hardship Requests for an Exception to Minimum Rent

The PHA recognizes that in some circumstances even the minimum rent may create a financial hardship for families. The PHA will review all relevant circumstances brought to the PHA's attention regarding financial hardship as it applies to the

minimum rent. The following section states the PHA's procedures and policies in regard to minimum rent financial hardship as set forth by the Quality Housing and Work Responsibility Act of 1998. HUD has defined circumstances under which a hardship could be claimed.

Criteria for Hardship Exception

In order for a family to qualify for a hardship exception the family's circumstances must fall under one of the following HUD hardship criteria:

The family has lost eligibility or is awaiting an eligibility determination for Federal, State, or local assistance;

The family would be evicted as a result of the imposition of the minimum rent requirement;

The income of the family has decreased because of changed circumstances, including:

Loss of employment

Death in the family

Other circumstances as determined by the PHA or HUD

PHA Notification to Families of Right to Hardship Exception

The PHA will notify all families subject to minimum rents of their right to request a minimum rent hardship exception. "Subject to minimum rent" means the minimum rent was the greatest figure in the calculation of the greatest of 30% of monthly adjusted income, 10% of monthly income, minimum rent or welfare rent.

The PHA notification will advise families that hardship exception determinations are subject to PHA review and hearing procedures.

The PHA will review all family requests for exception from the minimum rent due to financial hardships.

Suspension of Minimum Rent

The PHA will grant the minimum rent exception to all families who request it, effective the first of the following month.

The minimum rent will be suspended until the PHA determines whether the hardship is:

Covered by statute

Temporary or long term

"Suspension" means that the PHA must not use the minimum rent calculation until the PHA has made this decision.

During the minimum rent suspension period, the family will not be required to pay a minimum rent and the housing assistance payment will be increased accordingly.

If the PHA determines that the minimum rent is not covered by statute, the PHA will impose a minimum rent including payment for minimum rent from the time of suspension.

Temporary Hardship

If the PHA determines that the hardship is temporary, a minimum rent will not be imposed for a period of up to 90 days from the date of the family's request. At the end of the temporary suspension period, a minimum rent will be imposed retroactively to the time of suspension.

The PHA will offer a repayment agreement to the family for any such rent not paid during the temporary hardship period. (See "Owner and Family Debts to the PHA" chapter for Repayment agreement policy).

Long-Term Duration Hardships [24 CFR 5.616(c)(3)]

If the PHA determines that there is a qualifying long-term financial hardship, the PHA must exempt the family from the minimum rent requirements.

Retroactive Determination

The PHA will reimburse the family for any minimum rent charges which took effect after October 21, 1998 that qualified for one of the mandatory exceptions.
