## **Other PHA Goals and Objectives: (list below)**

**GOAL #1:** IMPROVE SERVICE DELIVERY TO CUSTOMERS BY ENHANCING OPERATIONAL EFFICIENCY, COORDINATING WITH COMMUNITY PROVIDERS, AND IMPROVING FACILITIES

### Goal Overview

The HAF has initiated operational changes; assigned a staff person to coordinate activities with community providers; and initiated actions to improve the management of the HAF facilities to improve service delivery. Management must continue making the necessary organizational changes, establishing monitoring and tracking systems, and providing on-going staff training to reach this goal. First priority is given to establishing an efficient and effective operation that will ensure quality service delivery. The objectives to be accomplished and the capital issues to be addressed are defined as follows:

### *Objectives*

- As an ongoing process, the Executive Director will utilize existing community sources and identify sources of funding for programs to improve service delivery and physical improvements to HAF facilities and reduce duplicative costs.
- HAF staff will annually conduct a customer satisfaction survey.
- HAF staff will attend, at a minimum, two training seminars per year.

*GOAL #2: INVESTIGATE REDEVELOPMENT ALTERNATIVES, IDENTIFY PROFESSIONAL SUPPORT, AND QUANTIFY SOURCES OF FUNDING*

*Goal Overview*

To achieve this goal, a proactive approach must be initiated to research redevelopment alternatives. Efforts should be made by the Board of Commissioners to establish a Redevelopment Committee to research local redevelopment opportunities. Professional support resources should be considered to assist the HAF with potential funding sources. The Redevelopment Committee should develop a primary agenda that will lead to financial independence and the agenda should be reviewed and revised annually based on the financial needs of the HAF. The tasks to be accomplished and the capital issues to be addressed are as follows:

*OBJECTIVES*

- By December 2001, HAF will establish a Board Redevelopment Committee to protect the financial, re-development and expansion interests of the HAF, who, in turn, will develop a primary agenda that will lead the HAF to financial independence.
- By February 2001, the Executive Director will enhance relationships with City and State organizations with the same or similar redevelopment goals, focusing on improving the public perception of the HAF's role in the community.
- By April 2001, the Executive Director will investigate redevelopment initiative partnership possibilities with the City.

*GOAL #3: ENHANCE THE ATTRACTIVENESS AND MARKETABILITY OF THE HOUSING STOCK AND NEIGHBORHOODS IN ORDER TO ATTRACT WORKING FAMILIES*

*Goal Overview*

In order to compete in the open market, the attractiveness and marketability of the housing stock must be enhanced. The enhancement of the properties will attract working families to the HAF's communities. Strategies will be developed to improve the status of the neighborhoods. HAF policy is strictly enforced; rent is collected in a timely manner; fines for delinquent rent, unacceptable housekeeping, and trash in the yards are consistent. Repeat lease violators will be evicted and neighborhood standards have been established by the HAF and accepted by the residents. Residents must be involved in and accountable for the neighborhoods in which they reside and residents are encouraged to "take ownership" of their communities. Attractive curb appeal is maintained. These initial steps must be taken to improve the housing stock. The rules and routine maintenance must be consistent in order to maintain the properties in a marketable status. The tasks to be accomplished and the capital issues to be addressed are as follows:

*OBJECTIVES*

- By December 2000, the Board of Commissioners will establish priorities for the HAF in removing the stigma from the communities through supportive marketing efforts and establishing preferences that will best suit the residents of the city.
- By February 2001, the HAF staff, in consultation with the Resident Council and neighborhood representatives, will draft and promote neighborhood improvement plans for each development, thereby establishing the role of residents in achieving maximum neighborhood appeal.
- By April 2001, the Executive Director and the HAF staff will develop methods of enforcing model neighbor standards, marketing strategies and a marketing plan for future success.
- By May 2001, the Executive Director along with a consultant, if applicable, will identify potential state and local funding and/or grants. This will include identifying federal sources of funding for physical improvements to the housing stock.

*GOAL #4: IMPROVE THE PUBLIC AND COMMUNITY IMAGE OF THE HAF BY DEVELOPING AND IMPLEMENTING A COMPREHENSIVE PUBLIC RELATIONS PLAN*

*Goal Overview*

It is the mission of the HAF to become recognized as a leader in the housing industry in the City of Franklin. This will be accomplished by improving the public and community image of the HAF. A proactive Public Relations Program must be established. There are many community-wide opportunities available to the HAF. Becoming an integral part of community building is a priority with the HAF. The HAF must earn the respect of the citizens of Franklin by providing clean, affordable and modern housing facilities. The tasks which must be accomplished and the capital issues to be addressed are as follows:

*OBJECTIVES*

- By December 2000, the Board of Commissioners must establish parameters for a superior Public Relations Program for the HAF.
- By January 2001, the Board of Commissioners and the Executive Director will designate a Public Affairs Officer who will promote the HAF on a community-wide basis and as a representative for the HAF, will participate in collaborative efforts for community growth.
- By January 2001, the Executive Director with assistance from the HAF staff will develop a mailing list for marketing and outreach materials and assess and make recommendations for efficient telecommunications to ensure complaints are minimized.
- By March 2001, the HAF staff and the Executive Director will create income sources for specific programs through partnerships, solicitation of community support, and sponsoring community-based functions.

*GOAL #5: IMPROVE EMPLOYEE SERVICES AND SUPPORT SYSTEMS*

*Goal Overview*

A staff with a positive attitude greatly contributes to the success of the HAF. The staff will be given every opportunity possible to make the HAF a better place to work. Teamwork, although challenging, is crucial to the delivery of quality work and customer satisfaction. Employees must be held accountable for the tasks for which they are responsible and, in turn, they must be rewarded for a job well done. Incentives will be made available to promote competition and a healthy environment for the staff. The tasks to be accomplished and the capital issues to be addressed are as follows:

*Objectives*

- By November 2000, the Board of Commissioners will develop strategies to promote maximum efficiency and employee morale among the HAF staff.
- By January 2001, the Facilities Manager will establish and implement ethical and professional department standards which will dictate a tracked plan of improvement at all performance levels.
- By February 2001, the Executive Director will identify sources of funding to improve employee services and support systems.

### Deconcentration of Poverty and Income Mixing

After further consideration of how the deconcentration and income mixing provisions would apply to various types of public housing developments, HUD determined that certain developments should be exempt from the requirement to deconcentrate poverty because of the development's resident population, type or types of units, or number of units. Public housing developments that are exempt from application of the requirement to deconcentrate poverty and mix incomes are the following:

- Public housing developments operated by a PHA with fewer than 100 public housing units;
- Public housing developments operated by a PHA which house only elderly persons or persons with disabilities, or both;
- Public housing developments operated by a PHA that operates only one general occupancy, family public housing development;
- Public housing developments approved for demolition or for conversion to tenant-based assistance; and
- Public housing developments which include public housing units operated in accordance with a HUD-approved mixed-finance plan using HOPE VI or public housing funds awarded before the effective date of this rule, provided the PHA certifies (and includes reasons for the certification) as part of its PHA Plan (which may be accomplished either in the Annual Plan submission or as a significant amendment to its PHA Plan) that exemption from the regulation is necessary to honor an existing contractual agreement.

The Housing Authority of Franklin operates 76 public housing units and therefore, is exempt from this requirement.
