Annual PHA Plan

Fiscal Year 2001

Executive Summary

The Ottumwa Housing Authority will not be significantly changing the Annual Plan that was developed last year. The Executive Summary should be used as a tool to review the Annual Plan.

The Ottumwa Housing Authority will be following the standard method for conducting business as a housing authority. As you may note in the comments received during the public hearing the residents of public housing projects are supportive of the plan that has evolved from many years of working with our residents on Comprehensive Grant projects and activities that required their input before we made long range plans. Without support of the residents and Section 8 participants our housing programs would suffer because word of mouth is the best advertising available.

The public housing programs will continue to house elderly and disabled families in the hi-rises and families with children in our scattered family sites. The waiting list will be on a “first come – first served” basis and rents will be calculated at 30 % of adjusted income with a minimum of \$25 and flat rents for the maximum based on comparisons to the local market and the Fair

Market Rents. The application process for the hi-rises that allows location selection as approved by H.U.D. in 1988 will be continued with applicants selecting if they want to live either north or south of the Des Moines River.

The purpose of the five-year capital fund planning is to continue our ongoing process to work with the residents to accomplish two goals for use of the capital funds. We have sought to maintain the building in like new condition whenever possible, but at the same timework with the residents to incorporate work items that will improve their quality of life. Examples from the 2001 plan are to tuck point and seal the exteriors of two hi-rises, but also included are replacement of floor tile in the apartments and refurbish or replace the elevator lobby benches.

The hi-rise waiting list is not very long as it was in the past the process of outreach continues. The public housing budget is projected to end with reserves of \$ 15000 remaining. The housing authority was successful and received a grant to continue the service coordinator work and will use capital funds to purchase the COPS program from the City of Ottumwa.

The Section 8 programs will continue to house all types of families. The waiting list will be on a “first come – first served” basis and rents will be calculated at 30 % of adjusted income with a minimum of \$25 and flat rents for the maximum based on the Fair Market Rents as established by the U. S. Department of Housing and Urban Development.

The U. S. Department of Housing and Urban Development has received adequate funding so the Section 8 program will continue with the certificates being converted to vouchers. The Ottumwa Housing Authority is not currently able to use all of the Section 8 units because the rental property is not available in Ottumwa in such numbers that Section 8 voucher holders can easily access them. The housing authority continues to work with new landlords to create opportunities for Section 8 participants as renters.

Input from families that use our programs and we had some success and have incorporated their feedback into the planning process. The Family Self –Sufficiency program will continue to work with other agencies in the community to support our participants in their efforts.

This is a brief overview of the information that is included in the 5 year plan for fiscal years 2001-2005 and the Annual Plan for Fiscal Year 2001.

To whom it may concern:

On behalf of all the tenants at Southoak Towers, I want to express our appreciation for the many projects that have been done through the Comp. Grant Program. We also appreciate the fact that we have meetings where the ideas and input from the tenants are included. The 2000 plans include new kitchen sinks and countertops, also new hot water heaters. The 2001 activities are also being planned as well. In years past we have gotten new light fixtures, new refrigerators, new drapes and many other things that have made our living here at Southoak Towers more comfortable. We, as tenants do appreciate the way the staff keeps us informed of all the projects that are being considered. Thank you, Melvin Mattox, Treasurer of the Southoak Friendship Club

To Whom:

To start with, I am the President of the Camelot 99ers Club. I reside at Camelot Towers, Apt. 606. I feel the residence at Camelot have been included in the development of improvements each year and in years past since I have lived here 5 years. They have had an opportunity to share their input. We have tenant meetings each Monday of the month. At this time, the residents have had an opportunity to share their wants and needs. We also meet with the Ottumwa Housing Authority staff to discuss the needs. In the year 2001, we will be getting new countertops and sinks in our kitchens. We also are getting a new fire alarm system and water heaters. In the past we have received many improvements, new cabinet doors, and pullout baskets in the kitchens, which are very nice, new handrails in the hallways, refrigerators, stoves, washers and dryers. We have a security camera in the front lobby, new carpet in the entryway. We keep in touch with the Ottumwa Housing Authority office. I am pleased with the improvements at our building. Keeping Camelot Towers in good shape is very important to our tenants and me. Also safety is a plus. Sincerely, Bettie Cowger, President of Camelot Towers, 99ers Club, Apt 606.

My name is Sharon Jones and I am speaking for the tenants of Westgate Towers. The group of 4 officers here at Westgate meet with Dan and the other officers once a month. We are kept up to date on any major developments. At times during the year a meeting is called

with all the tenants. At this meeting, we are asked to tell of any major projects which we feel we need. This past year we have been blessed with a new fire alarm system and an emergency generator. As nasty as the weather has been these past two weeks, I feel we're very fortunate to have the generator. We look forward to getting the new sinks and countertops this year. In closing, let me say that it is nice that we feel comfortable with the staff and that we are not afraid to voice our opinion. We indeed are lucky to live in such a well-maintained building. Thank you! Sharon Jones, President Mary Anders, Secretary.
