Attachment F (ia005a03) Comments of Resident Advisory Board Minutes of the Resident Advisory Board

The Resident Advisory Board of Halland Village met on Friday, April 12, 2001, at about 10:30 A.M., following the Village regular Friday morning coffee time. Present were members Berniece and Ray Baucom, Eleanor Hallquist, and Walter Hoffman, residents Bonnie Abbott and Patty Smith, and Director Georgia Clark. Absent were members Neva Morehouse and Cheryl Watson.

The director told the group of the need for discussion of the 2001 annual plan during the current 45-day waiting period, prior to the public hearing set for Monday, April 16, 2001, at 10:30 A.M. There was a general discussion of the plan as well as the projected 5-year plan, primarily in the area of proposed expenditures. The group was especially pleased with the possibility of the washer/dryer units in each apartment as well as that of construction of an additional parking area. There was an extended discussion of each.

The group did not see that the proposed redecoration of the community building was especially a priority, as planned for 2002. It was their feeling that even in one more year, the existing décor was sufficient as well as pleasant for the building use. The director assured them that she would see that this opinion was relayed to the group at the public hearing.

Director Clark also told the group of the suggestion from the fee accountant that the Capitalization Policy be set \$500.00 instead of a higher figure as previously presented. Following an explanation of this, the group was in agreement as to this change and also wanted this opinion to be relayed to the public hearing.

Since there was no further discussion, the director thanked the group for their time and the meeting was adjourned.

Respectfully,
Georgia Clark,
Acting secretary, Advisory Board

EXPLANATION OF PHA RESPONSE

Public Hearing Minutes

A public hearing was held in the community room of Halland Village on Monday, April 16, 2001 which culminated a 45-day waiting period for public comment on the 2001 annual plan for the Stanton Housing Commission. Signing in were board commissioners Dean Burke, Donald Peterson, John Schultz, and Jim Wigstone, Director Georgia Clark, and citizen Jerry Vennerberg, in the capacity of parish nurse for a local church.

The meeting was called to order by Chairman of the Board Peterson at 10:30 A.M. Director Clark discussed with the group the opinions coming from a meeting of the resident advisory board which included support for the purchase and installation of washer/dryer units for all apartments as well as the construction of additional parking space on the southeastern edge of the property. She told the group that there was some question, however, of the need for redecoration of the community building as outlined in the 2003 phase of the plan. The directors took the latter under advisement.

There was a question from one commissioner as to the thinking of the 2004 phase to renovated two, one-bedroom units into a single, two-bedroom apartment. It was explained that marketing an additional two-bedroom unit was perhaps easier plus there seems to be sustained vacancies in the smaller units. No action was taken on this issue at that time.

Director Clark told the group that the fee accountant as well as some of her colleagues had advised that the Capitalization Policy read \$500.00 for the purchase limits for capitalization purposes as opposed to the previously suggested high figure. The group considered this suggestion as viable and agreed to act on it at their next board meeting.

When there was no further discussion, the chairman adjourned the public hearing.

Respectfully submitted,
Georgia Clark, secretary

Meeting of the Stanton Housing Commission (excerpt)

The board of the Stanton Housing Commission convened in special session following the public hearing on the 2001 annual plan for the housing authority for the purpose of considering any suggestions received during the advertised 45 day waiting period. Present were Commissioners Burke, Peterson, Schultz, and Wigstone, as well as Director Clark. Absent was Commissioner Alice Cavner.

Chairman Peterson called the meeting to order and a discussion was held on the suggested change to the Capitalization Policy to a figure of \$500.00 for purchases to be capitalized. On a motion by Wigstone and a second by Schultz as well as a unanimous vote, this change was accepted. This was the only change to the 2000 plan that the group saw to be made in the 2001 plan. There was a brief discussion concerning the proposed redecoration of the community building as a use of the 2003 Capital Funds in the 5-Year Plan and the opinion of the resident advisory board that this was not warranted. The board of commissioners took their feelings under advisement but took no action on the issue at that time. On a motion made by Schultz and a second by Burke, the board unanimously voted to accept the 2001 annual plan and approve it for submission to HUD.
