Required Attachment F: Brief Statement of Progress in Meeting the 5-Year Plan Mission and Goals

A. Mission

The Low Rent Housing Agency of Bancroft continues to strive to make its public housing a better place to live by promoting adequate and affordable housing, economic opportunity, and suitable living environment free from discrimination.

B. Goals

Reduce public housing vacancies: Increase number of units rented to 96% (one vacancy).

The Agency has been unable to increase their lease percentage to 96%. The average for fiscal year 2000 to date is 77% (six vacancies). The Agency still believes this is an attainable goal; however, it was not met during their first PHA Plan year.

Improve public housing management: (PHAS score) advisory score of 81.7 – increase to 85.

The PHAS composite score for 1999 was 83.2. The Agency still strives to be at or above the score of 85.

Implement measures to promote income mixing in Public Housing by assuring access for lower income families into higher income developments. The agency has only one development. In order to increase our lease-ups, over-income families have been allowed to participate in our program on a month-to-month tenancy.

Promote self-sufficiency and asset development of assisted households. The Agency has adopted rent policies to support and encourage work (i.e. flat rent, do not require interim recertifications, and rent phase-in/income disregard).

Ensure equal opportunity and affirmatively further fair housing. The Agency has documents posted on accessible bulletin boards. The fair housing logo is published with all newspaper advertisements.

Required Attachment G: Resident Assessment Survey Follow-Up Plan

A meeting was held on February 14, 2000 with the residents of the Pleasant View Manor was held following the release of the results from the Resident Assessment and Satisfaction Survey.

Safety Response

Sidewalk/Drive Repair/Replacement (1998 CIAP)

The sidewalks and driveways had cracks and some spalling, creating a tripping hazard. Bids were received on this project and a contract was awarded. The work was completed on June 19, 2000.

Electrical

The Fort Dodge Housing Agency (managing agency) Maintenance Supervisor believes that there is a series of power surges and recognizes that there is an electrical problem. The Maintenance Supervisor has requested that the City of Bancroft analyze the electrical currents to evaluate the possible power surges. We have also been in contact with an electrician who has worked in the units to evaluate the problem. If the aluminum wiring in the units were found to be faulty, the Agency would incur a financial burden to replace all wiring.

Visitors on Property

Tenants (mainly elderly) in the one-bedroom units are concerned that there are too many “kids hanging around” the property and they feel unsafe. The City of Bancroft only has a part-time police officer and the residents of the Pleasant View Manor believed that they could not reach an officer after hours. We advised these residents to call “911” where they could reach law enforcement officials anytime of the day.

Neighborhood Appearance

Trash Removal

The City of Bancroft allows residents to place one bag of trash out once a week to be picked up. If you need to place additional bags out, the fee is \$1.50 per bag. Stickers must be affixed to the extra bags and are available at the local grocery store and city offices. Due to the cost of these stickers, it is not always feasible for the residents to get the garbage to the curbs weekly.

In order to eliminate the amount of non-trash items (i.e. broken toys, furniture, etc.), the housing agency will pick up items to be disposed of at the city dump. Tenants will not be allowed to stockpile their everyday garbage in order to avoid the \$1.50 per bag charge.

Tenants are going to be held responsible for picking up the trash in their yard, with the exception of the

elderly tenants. The Site Manager will be responsible for the trash in the yards of the elderly units. If the tenants fail to maintain their residence, they will be charged for the removal.
