- The PHA has based its statement of needs of families in the jurisdiction on the
needs expressed in the Consolidated Plan/s.
- The PHA has participated in any consultation process organized and offered by
the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the
development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with
specific initiatives contained in the Consolidated Plan. (list such initiatives below)

workplace.
 - The Grundy County Housing Authority will continue to maintain its public
housing units in a decent, safe and sanitary condition.
 - The Grundy County Housing Authority will continue to maintain and renovate
its public housing units utilizing Operating Funds and Capital Fund Program
funds provided by HUD.
 - The Grundy County Housing Authority will continue to meet the special needs
of families with disabilities by providing reasonable accommodation and
accessible housing in the public housing program.

- The Grundy County Housing Authority will continue to market its public housing program to make elderly and disabled families and individuals aware of the availability of decent, safe, sanitary and affordable housing in the City of Morris and Grundy County.
- The Grundy County Housing Authority will continue to apply its limited resources to the effective and efficient management and operation of the public housing program.
- Other: (list below)
- The Grundy County Housing Authority Admission and Continued Occupancy Policy (ACOP) requirements are established and designed to:
 1. Provide improved living conditions for very low and low-income elderly and disabled families and individuals while maintaining their rent payments at an affordable level.
 2. To operate a socially and financially sound public housing agency that provides violence and drug-free, decent, safe and sanitary housing with a suitable living environment for residents.
 3. To lawfully deny the admission of applicants, or the continued occupancy of residents, whose habits and practices reasonably may be expected to adversely affect the health, safety, comfort or welfare of other residents or the physical environment of the neighborhood, or create a danger to our employees.
 4. To facilitate the judicious management of our inventory and efficient management of our staff.
 5. To ensure compliance with Title VI of the Civil Rights Act of 1964 and all other applicable Federal fair housing laws and regulations so that the admissions and continued occupancy are conducted without regard to race, color, religion, creed, sex, national origin, handicap or familial status.

Our agency is part of the entire effort undertaken by Grundy County, the City of Morris, and the State of Illinois to address our jurisdiction's affordable housing needs. While we cannot ourselves meet the entire need identified in the Consolidated Plan, in accordance with our goals and objectives included in this Plan, we will try to address some of the identified need by using appropriate resources to maintain and preserve our existing stock. When appropriate and feasible, we will apply for additional grants and loans from federal, state and local sources, including private sources to enhance the affordable housing available in our community. We intend to continue working with our local partners to try and meet these identified needs.

This year we expect to continue to utilize the funds we receive for our existing programs

to house people. We will be focusing on management improvements and modernization. Priorities and guidelines for programs often change from year to year and our decisions to pursue certain opportunities and resources may change over the coming year if there are program changes beyond our control.

3. PHA Requests for support from the Consolidated Plan Agency

Yes No: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below)

The State Consolidated Plan Action Plan identifies the following State Priorities:

A. Affordable Housing

The provision of affordable housing for low and very low-income households in the State is a major priority. Specific actions required to address the affordable housing need include the preservation and rehabilitation of existing housing stock and homebuyer assistance as well as other actions.

B. Supportive Housing for the Homeless

The provision of supportive housing is a priority in the State's Consolidated Plan. In addition to programs to address supportive housing for the homeless, the State will address programs to meet the needs of the population at risk of being homeless.

C. Supportive Housing for Persons With Special Needs

The State has identified an increasing need for programs for the elderly and persons with disabilities and for housing that is integrated in and typical of local communities. This priority includes addressing the needs for persons with alcohol and substance abuse problems and the need for drug-free affordable housing.

The Action Plan addresses the following activities will be maintained by the State regarding Public Housing Resident Initiatives:

- Resource Guide updates on PHA homeownership programs.
- NOFA distribution to statewide housing organizations and advocacy groups on federal and state-funded resident management and homeownership programs, as is available.
- Limited application review via the Consolidated Plan Certification of Consistency process for applicable programs.

- Participation of interested groups, including PHA tenant representatives, on the OHCS Advisory Committee.

The Action Plan addresses the need for changes to be made by the State with regard to welfare reform and housing. The State is joining forces with other State agencies, nonprofit organizations and PHAs to address the needs of low income residents moving from welfare to work.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A substantial deviation from the 5-year Plan occurs when the Board of Commissioners decides that it wants to change the mission statement, goals or objectives of the 5-year plan.

B. Significant Amendment or Modification to the Annual Plan:

Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the plans of the agency and which require formal approval of the Board of Commissioners.
