EXECUTIVE SUMMARY

The Housing Authority of the City of Freeport has prepared this Agency Plan in compliance with Section 511 of the Quality Housing and Work Responsibility Act of 1998 and the ensuing HUD requirements.

We have adopted the following mission statement to guide the activities of the Housing Authority of the City of Freeport.

The mission of the Housing Authority of the City of Freeport is to be the area's affordable housing choice. We provide and maintain safe, quality housing in a cost-effective manner. By partnering with others, we offer rental assistance and other related services to our community in a non-discriminatory manner.

We have also adopted the following goals and objectives for the next five years.

Goal One: Manage to Housing Authority of the City of Freeport's existing public housing program in an efficient and effective manner thereby qualifying as at least a standard performer.

Objectives:

1. HUD shall continue to recognize the Housing Authority of the City of Freeport as a high performer.
2. The Housing Authority of the City of Freeport shall make our public housing units more marketable to the community as evidenced by an increase in our waiting list to one that requires a six-month wait for housing by December 31, 2005.
3. The Housing Authority of the City of Freeport shall promote a motivating work environment with a capable and efficient team of employees to operate as a customer-friendly and fiscally prudent leader in the affordable housing industry.

Goal Two: Provide a safe and secure environment in the Housing Authority of the City of Freeport's public housing developments.

Objectives:

1. The Housing Authority of the City of Freeport shall reduce crime in its developments so that the crime rate is less than their surrounding neighborhood by December 31, 2005.
2. The Housing Authority of the City of Freeport shall refine the memorandum of understanding between the jurisdiction's police force and this agency. The purpose of this is to better define the "edge problem" of crime that occurs near our developments and develop strategies for identifying and reducing this problem.
3. The Housing Authority of the City of Freeport shall reduce its evictions due to violations of criminal laws by 10% by

December 31, 2005 through aggressive screening procedures.

Goal Three: Expand the range and quality of housing choices available

to participants in the Housing Authority of the City of Freeport's tenant-based assistance program.

Objectives:

1. The Housing Authority of the City of Freeport shall establish a program to help people use its tenant-based program to become homeowners by December 31, 2005.

3. The Housing Authority of the City of Freeport shall attract 20 new landlords who want to participate in the program by December 31, 2005.

Our Annual Plan is based on the premise that if we accomplish our goals and objectives we will be working towards the achievement of our mission.

The plans, statements, budget summary, policies, etc. set forth in the Annual Plan all lead towards the accomplishment of our goals and objectives. Taken as a whole, they outline a comprehensive approach towards our goals and objectives and are consistent with the Consolidated Plan. Here are just a few highlights of our Annual Plan:

- We have adopted local preferences.
- We have adopted an aggressive screening policy for public housing to ensure to the best of our ability that new admissions will be good neighbors. In our Section 8 program, we are screening applicants to the fullest allowable

while not taking away the ultimate responsibility from the landlord. Our screening practices will meet all fair housing requirements.

- Applicants will be selected from the waiting list by preference and in order of the date and time they applied.
- We have established a minimum rent of \$50.
- We have established flat rents for all our developments.

In summary, we are on course to improve the condition of affordable housing in Freeport, Illinois.
