[24 CFR Part 903.7 9 (r)]

Provide a brief overview of the information in the Annual Plan, including highlights of major initiatives and discretionary policies the PHA has included in the Annual Plan.

The Authority achieved its FY2000 goals and is on schedule with its five-year plan. The Authority has updated its policies in compliance with the Quality Housing And Work Responsibility Act Of 1998 and has initiated the process to redevelop Washington Courts.

For FY2001 the Authority plans to implement operational improvements necessary for achieving PHAS and SEMAP high performer status, to apply for Section 18 Demolition approval from HUD for Washington Courts and to apply for tax-credit and bond financing from the Illinois Housing Development Authority to redevelop the Washington Court property.

The Authority is on schedule with all its open capital fund programs (FY 1998,19 99 and 2000). Due to PHAS inspection findings the five-year Capital Fund Plan (CFP) has been revised to include sidewalk and parking repair and replacement. In addition, with the planned redevelopment of Washington Court, funds designated for renovating the dwelling units are now reprogrammed for demolition and for construction of replacement community center and maintenance shop facilities.

- 2) Participate in an economic self-sufficiency program for 8 hours per month; or
- 3) Perform 8 hours per month of combined community service and economic self-sufficiency.

COVERED RESIDENTS

All public housing residents between the ages of 18 and 62 years of age who are not exempt.

EXEMPT RESIDENTS

Any public housing resident who is:

- 1) 62 years or older;
- 2) Blind or disabled and who certifies that because of this disability she or he is unable to comply with the requirement of the policy;
- 3) Primary caretaker of a person who is 62 years or older or who is blind or disabled;

VIOLATION OF SERVICE REQUIREMENT

Violation of the service requirement is grounds for nonrenewal of the twelve (12) months lease agreement, but not for termination of tenancy during the course of the twelve (12) months lease term.

COMMUNITY SERVICE

The performance of volunteer work or duties that are a public benefit, and that serve to improve the quality of life, enhance resident self-sufficiency, or increase resident self-responsibility in the community. Community service is not employment and may not include political activities.

QUALIFIED COMMUNITY SERVICE ORGANIZATIONS AND ACTIVITIES

As a convenience to covered residents, the Housing Authority will develop, post on the Authority's bulletin boards and provide to covered residents a list of qualified organizations (and activities) that have agreed to work with residents in helping them satisfy their community service requirement. Residents are not limited to the published list and are encouraged to identify other organizations and activities. To ensure compliance with this community service policy, residents should seek the Housing Authority's approval prior to volunteering for organizations or performing activities not included on the published list. It is the Housing Authority's policy to provide great latitude in approving community service organizations and activities.

DETERMINING RESIDENT STATUS

Per the Housing Authority's approved Admission and Continued Occupancy Policy (ACOP):

- The status of all applicant family members will be determined and families notified during the application process.
- During annual (or every three years for residents paying flat rents) recertifications, the status of each family member will be reviewed and determined.
- Between recertifications, residents are required to notify the Housing Authority within ten (10) days when there is a change in employment, income, family composition or welfare-to-work training or employment activities. The Housing Authority will use this information to determine changes, if any, in family member status.
- Members will be informed verbally and in writing of their community service requirement.

ASSURING RESIDENT COMPLIANCE

The Housing Authority shall review and verify family compliance with service requirements annually at least thirty (30) days before the end of the twelve (12) month lease term. The Housing Authority will retain reasonable documentation of service requirement performance or exemption in resident family files.

If the Housing Authority determines that a covered family member has not complied with their service requirement, the Housing Authority will notify the family of this determination, describe the noncompliance and state the Authority will not renew the lease at the end of the twelve (12) month lease term unless:

- The family enters into an agreement with the Authority that the noncompliant family member will cure such noncompliance within the twelve (12) month term of the new lease while also satisfying the on-going service requirement.
- Or the family provides written assurance satisfactory to the Authority that the noncompliant family member no longer resides in the unit.

Families may request a grievance hearing on the Housing Authority's determination in accordance with the Authority's approved Grievance Procedure.

SIGNED CERTIFICATIONS

The Housing Authority management staff will provide signed certifications of any community service activities administered by the Authority. In a similar manner, organizations other than the Authority, who administer qualifying activities must provide signed certifications.

The Housing Authority will provide covered residents with three part, prepaid post card size certification forms which the residents will present to the organization administering the qualifying activities for certification approval and signatures. The person(s) approved for signing the certifications will tear the three part, prepaid mailer form apart, give one copy to the resident, keep one copy, and drop the prepaid (and pre-addressed) part in the mail back to the Authority. The Authority will file the returned cards in each covered resident's file.

HOUSING AUTHORITY OF CHRISTIAN COUNTY

DECONCENTRATION POLICY

PUBLIC HOUSING:

In an ongoing effort for the Housing Authority to meet or exceed the laws and regulations regarding its public housing programs, the following Deconcentration Policy has been developed in order to comply with the Quality Housing and Work Responsibility Act of 1998, Section 513.

INCOME MIX TARGETING: To meet the requirements of the Act and subsequent HUD regulations, at least 40 percent of families admitted to public housing by the Housing Authority must have incomes that do not exceed 30% of the area median. If 40% or more of the Housing Authority units are occupied by families whose incomes do not exceed 30% of the area median income, this requirement shall be considered as being met.

Additionally, to meet this goal, the housing authority may use the provisions of fungibility to the extent that the housing authority has provided more than seventy-five percent of newly available vouchers and certificates in its Section 8 program, including those resulting from turnover, to very poor families. The number of fungible housing credits used to drop the annual requirement for housing very poor families below 40 percent of the newly available units in public housing is limited to the lowest of the following:

1. The number of units equivalent to ten (10) percent of the number of newly available vouchers and certificates in that fiscal year; or,
2. The number of public housing units that (i) are in public housing projects located in census tracts having a poverty rate of 30% or more, and (ii) are made available for occupancy by, and actually occupied in that year by families other than very poor families, or
3. The number of units that cause the housing authority's overall requirement for housing very poor families to drop to 30% of its' newly available units.

PROHIBITION OF CONCENTRATION OF LOW-INCOME FAMILIES: The Housing Authority will not, in meeting this income mix targeting, concentrate very low-income families, or other families with relatively low incomes, in public housing units in certain projects or certain buildings, i.e. high-rise, within projects.

The Housing Authority must review the income and occupancy characteristics of the housing projects and the buildings, i.e. high-rise, of each project to ensure that a low-income concentration does not occur.

DECONCENTRATION: The Housing Authority will make every effort to deconcentrate families of certain income characteristics within the Public Housing Agency complexes. To achieve this, the Housing Authority may offer incentives for eligible families having higher incomes to occupy dwelling units in projects predominantly occupied by eligible families having lower incomes, and provide for occupancy of eligible families having lower incomes in project predominantly occupied by eligible families having higher incomes. Incentives by the Housing Authority allow for the eligible family to have the sole discretion in determining whether to accept the incentive and the Housing Authority may not take any adverse action toward any eligible family for choosing not to accept these incentives. The skipping of a family on the waiting list to reach another family to implement this Deconcentration Policy shall not be considered an adverse action. As such, the Housing Authority will continue to accept applications and place the individuals on a waiting list. Selection will be made based on a combination of the local preferences and an income target mix. Any eligible family who qualifies as a higher income family may accept a dwelling unit assignment and be placed randomly into a vacant housing unit.

The Housing Authority will track the income mix within each project and building, i.e. high-rise, as an effort to avoid a concentration of higher or lower income families in any one building, i.e. high-rise, or development.

SECTION 8 TENANT-BASED ASSISTANCE:

INCOME MIX TARGETING: In each fiscal year, not less than 75% of the new admissions must have incomes at or below 30% of the area median income.
