The 1999 State Consolidated Plan Action Plan for the Program Year 1999 identifies the following State Priorities:

A. Affordable Housing

-

The provision of affordable housing for low and very low-income households in the State is a major priority. Specific actions required to address the affordable housing need include the preservation and rehabilitation of existing housing stock and homebuyer assistance as well as other actions.

B. Supportive Housing for the Homeless

The provision of supportive housing is a priority in the State's Consolidated Plan. In addition to programs to address supportive housing for the homeless, the State will address programs to meet the needs of the population at risk of being homeless.

C. Supportive Housing for Persons With Special Needs

The State has identified an increasing need for programs for the elderly and persons with disabilities and for housing that is integrated in and typical of local communities. This priority includes addressing the needs for persons with alcohol and substance abuse problems and the need for drug-free affordable housing.

The 1999 Action Plan addresses the following activities will be maintained by the State regarding Public Housing Resident Initiatives:

- Resource Guide updates on PHA homeownership programs.
- NOFA distribution to statewide housing organizations and advocacy groups on federal and state-funded resident management and homeownership programs, as is available.
- Limited application review via the Consolidated Plan Certification of Consistency process for

applicable programs.

- Participation of interested groups, including PHA tenant representatives, on the OHCS Advisory Committee.

The 1999 Action Plan addresses the need for changes to be made by the State with regard to welfare reform and housing. The State is joining forces with other State agencies, nonprofit organizations and PHAs to address the needs of low income residents moving from welfare to work.

## **C. Criteria for Substantial Deviation and Significant Amendments**

### **1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

#### **A. Substantial Deviation from the 5-year Plan:**

A substantial deviation from the 5-year Plan occurs when the Board of Commissioners decides that it wants to change the mission statement, goals or objectives of the 5-year plan.

#### **B. Significant Amendment or Modification to the Annual Plan:**

Significant amendments or modifications to the Annual Plan are defined as discretionary changes in the plans or policies of the housing authority that fundamentally change the plans of the agency and which require formal approval of the Board of Commissioners.
