D. Other Information Required by HUD

POLICY ON DECONCENTRATION OF POVERTY AND INCOME MIXING
The PHA's admission policy is designed to provide for deconcentration of poverty and income mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. Gross annual income is used for income limits at admission and for income mixing purposes. Skipping of a family on the waiting list specifically to reach another family with a lower or higher income is not to be considered an adverse action to the family. Such skipping will be uniformly applied until the target threshold is met. The PHA will gather data and analyze, at least annually, the tenant characteristics of its public housing stock, including information regarding tenant incomes, to assist in the PHA's deconcentration efforts. The PHA will use the gathered tenant income information in its assessment of its public housing developments to determine the appropriate designation to be assigned to the project for the purpose of assisting the PHA in its deconcentration goals. If the PHA's annual review of tenant incomes indicates that there has been a change in the tenant income characteristics of a particular project, the PHA will evaluate the changes to determine whether, based on the PHA methodology of choice, the project needs to be redesignated as a higher or lower income project.

PHA Plan Resident Advisory Board Meeting

Tuesday, January 2, 2001

5:30 P.M.

Attachment in034a01

Persons in Attendance:

Phyllis Graham – Section 8
Virginia Miesenhelder – Parkview Terrace
Sue Alumbaugh – Court Plaza
William Tennis – Sunrise Towers
Don Hunt – Executive Director

Executive Director Hunt began by asking each member what questions, comments, suggestions or criticisms they found in reading the plan.

Phyllis Graham commented that she found it more difficult to read than the previous year. Hunt explained that it was a new template and was in more detail than last year. He also explained that the template was the exact format required by HUD.

Bill Tennis asked for an explanation of “expanding the Section 8 are of jurisdiction” on page 8 meant and to what extent. Hunt explained that the HA had signed a contract to operate the State’s Section 8 Program which would include all of Sullivan County. Tennis next asked why 5. b. on page 15 “How often must residents notify the PHA of changes in family composition?” did not include “At an annual reexamination and lease renewal” also? Hunt commented that it probably should have and that this would be changed. Tennis next asked if the HA did not allow non-reimbursed medical expenses as a deduction in 2.d. on page 21? Hunt answered that we did and this would be changed to include that option in this question.

Graham commented that in addition to Tennis' comment on 5.b. on page 15, "At family request for revision" should also be included. Hunt agreed that this should be changed.

Virginia Miesenhelder asked if the pet deposit would ever be lowered? Hunt answered that it probably would not and that it was at \$300 because of the potential damage to our property if a pet was not properly cared for.

Miesenhelder next asked if there was a chance that the \$300 transfer fee would be reduced? Hunt answered that it was doubtful and that it was necessary to partially cover the cost of cleaning and repainting an apartment after a tenant leaves. Hunt also said that the transfer fee was deliberately set to discourage tenant's changing buildings/apartments without good cause. She next asked when Hunt thought the masonry project would be completed? Hunt answered that he guessed it would be March depending on the weather.

Graham asked if the HA worked with CODA or other agencies on helping women and children who are victims of domestic abuse? Hunt answered that the HA did. The group then discussed admission preferences and victims of domestic abuse being on that list of preferences. Graham asked why none of the "other preferences" were chosen on page 18? Hunt explained that the list chosen fit the most critical needs of the families that the HA housed and that if the list of preferences was too inclusive it would be confusing to determine which applicants had the more critical needs. Graham next asked how people found out about the Section 8 Program? Hunt told where their referrals came from and that as soon as they received the State Section 8 contract back from the State, the HA would be advertising this for the benefit of people out in the county.

Hunt asked Sue Alumbaugh if she had any comments, etc. and she said she didn't.

Hunt thanked the Board for the time and energy they devoted to the plan.
