ADVISORY BOARD MINUTES

November 15, 2000

1:30 PM

The meeting of the Advisory Board was called to order by Executive Director, Pam Johnson. Those in attendance were: Karen Yates, Velta Johnson, Alouise Bourland, and Lyle Williams. Pam went over the details of the duties of an Advisory Board and that it is necessary for the Housing Authority to try to establish this organization. After a few questions about the duties and mention of some of the projects that the authority would like to accomplish in the next five years, all in attendance stated that they were not at all interested in participating on this board. They all agreed that the decisions being made as far as any improvements of the units and so forth, were acceptable to them and they felt that things were being handled efficiently enough that it was not necessary for them to get involved. Pam then asked each person to sign a paper stating that they were asked to participate and they in turn declined.

Also discussed were the Resident Surveys that would be sent out again this year. Pam told the tenants that it was very important to them and to the Housing Authority that these surveys, if received, needed to be filled out and returned to HUD. Pam told the tenants that she would remind them as the time drew closer.

Being no other discussions, Pam adjourned the meeting.

ATTACHMENT G: RASS Follow-up Plan

Survey Communications Section: I have tried to be more responsive to tenants questions and concerns. I have tried on several occasions to organize a resident organization and the tenants have shown no interest. I have sent written notices more frequently regarding various projects, policy changes, and etc.

Survey Safety Section: We have replaced all outdoor security lighting and parking lot areas. Tenants show no interest in a neighborhood watch organization but we have requested the local law enforcement to patrol the area more frequently.
