1. Consolidated Plan jurisdiction: (provide name here) City of Leavenworth, KS
2. The PHA has taken the following steps to ensure consistency of this PHA Plan with the Consolidated Plan for the jurisdiction: (select all that apply)

- The PHA has based its statement of needs of families in the jurisdiction on the needs expressed in the Consolidated Plan/s. The CP calls for full use of Section 8 vouchers and recognizes Planters II and Cody Plaza as two of three housing providers for older or disabled persons in the community.
- The PHA has participated in any consultation process organized and offered by the Consolidated Plan agency in the development of the Consolidated Plan.
- The PHA has consulted with the Consolidated Plan agency during the development of this PHA Plan.
- Activities to be undertaken by the PHA in the coming year are consistent with specific initiatives contained in the Consolidated Plan. (list such initiatives below)

Initiative to acquire and renovate a 19<sup>th</sup> Century Warehouse across the street from Planters II is featured in both the five year housing plan and the consolidated plan. This project will use available housing reserves, Community Development Block Grant funds, Low Income Housing Tax Credits, a five year local property tax rebate, Section 8 vouchers and other incentives to develop what is now a derelict property. The Community Development Advisory Board and Housing Advisory Boards are complimenting each other's efforts to remove blight and provide affordable housing for lower income persons and families. Both boards advise the Leavenworth City Commission which is also the Housing Authority in this jurisdiction. This will be a major undertaking and is the only innovative project in the PHA side of the plan.

Other: (list below)

3. PHA Requests for support from the Consolidated Plan Agency

- Yes  Neutral  No: Does the PHA request financial or other support from the State or local government agency in order to meet the needs of its public housing residents or inventory? If yes, please list the 5 most important requests below:

The project identified in 2. Above, shows the interplay between the two agencies to provide more affordable housing opportunities in Leavenworth. This is a mutual aid project. It will take resources from both sides to make the development work, but the housing authority does not rely on these resources to provide services to its clients and the CDBG program does not rely on housing resources to provide its services to the community.

4. The Consolidated Plan of the jurisdiction supports the PHA Plan with the following actions and commitments: (describe below) See the explanation provided at 2.1 and 3, above.

**C. Criteria for Substantial Deviation and Significant Amendments**

**None**

**1. Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

**A. Substantial Deviation from the 5-year Plan: None**

**B. Significant Amendment or Modification to the Annual Plan: None**

In the space below, provide a brief overview of the PHDEP Plan, including highlights of major initiatives or activities undertaken. It may include a description of the expected outcomes. The summary must not be more than five (5) sentences long

This project will enable Planters II to screen applicants for public housing to prevent admission of persons who are known drug users or drug related felons. The project will also provide for a tenant patrol to prevent unauthorized persons from entering the project or causing damage to the building and grounds. The security of the tenant population is the HA's highest priority. The proposed program will let them know the HA is doing everything it can to provide for their safety.

**E. Target Areas**

Complete the following table by indicating each PHDEP Target Area (development or site where activities will be conducted), the total number of units in each PHDEP Target Area, and the total number of individuals expected to participate in PHDEP sponsored activities in each Target Area. Unit count information should be consistent with that available in PIC.

Kansas Statutes allow the governing body of a local government to serve as the Housing Authority Board. In order for an assisted housing participant to serve on the LHA board, the person would first have to be elected to public office. The City Commission, however, appoints a Housing Advisory Board to help set policy for housing operations. This board is composed of five persons from medical, religious, housing providers, housing participation backgrounds and one at-large member. These persons serve without pay. Although the city commissioners are paid a small stipend (\$600 per year), they are not considered salaried employees and they do not serve on a full time basis.

the PHA is located in a State that requires the members of a governing board to be salaried and serve on a full time basis

the PHA has less than 300 public housing units, has provided reasonable notice to the resident advisory board of the opportunity to serve on the governing board, and has not been notified by any resident of their interest to participate in the Board.

Other (explain):

B. Date of next term expiration of a governing board member: April, 2001

C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position): The advisory board terms are staggered (one comes up one year, two the next and two the next). The mayor makes the appointments. The present mayor is Ken Bower. The mayor is selected by vote of the other four city commissioners. The community selects the five city commissioners on a city-wide, non-partisan electoral basis. The top two vote-getters receive four year terms, the candidate with the third most votes receive a one year term. Elections are held every two years, so every two years, the voters can retain or replace three commissioners.
