The Consolidated Plan supports the Paintsville Housing Authority Plans with both plans commitment to improve housing and provide housing needs. The greatest need for assistance is within the extremely low income to low income families as evidenced by our waiting list analysis. The Consolidated Plan is a statewide plan and indicates a significant statewide need for affordable housing. The need for assisted housing in this jurisdiction is great at this time as indicated by our current waiting list.

The average length of time for a family to receive public housing assistance is 3 months and the average length of time for a family to receive Section 8 assistance is 9 – 12 months.

The above needs are consistent with the Consolidated Plan. We intend to address the housing needs of our community to the maximum extent possible as permitted by funding resources available to the housing authority. We will apply whenever possible for grants to assist in maintaining the viability and services to eligible families in our community.

MEETING GOALS OF 5 YEAR PLAN

PHA Goal to Improve the quality of assisted housing: We have tried hard to increase customer satisfaction. Our R.I.C. office was able to provide an after school snack program for our children. We are continuing our educational programs for residents and providing job training. Our comprehensive grant/capital fund grant has enabled us to continue renovating our public housing units.

PHA Goal to increase assisted housing Choices: Our Section 8 program continues to conduct outreach efforts to potential voucher landlords. We have talked to landlords not on the program concerning the benefits of our program.

PHA Goal to provide an improved living environment: Our housing authority has adopted a deconcentration policy and has reached the goal of renting to higher income households. Our computer system is capable of providing us with a report listing of residents by income groups; thereby we can evaluate our deconcentration progress.

PHA Goal to promote self-sufficiency and asset development of families and individuals: We have counseled families and have provided them with contacts whereby they may obtain resources and or assistance for self-sufficiency and asset development. The number of employed persons has increased through the rent incentive provided. During this year, we were not able to provide or attract supportive services to improve assistance recipient's employability.

PHA Goal to ensure equal opportunity and affirmatively further fair housing objectives: The housing authority gave access to assisted housing regardless of race, color, religion, national origin. Sex, familial status and disability. No complaints were filed.
