## 18.0 PET POLICY

### 18.1 EXCLUSIONS

This policy does not apply to animals that are used to assist persons with disabilities. Assistive animals are allowed in all public housing facilities with no restrictions other than those imposed on all tenants to maintain their units and associated facilities in a decent, safe, and sanitary manner and to refrain from disturbing their neighbors.

### 18.2 PETS IN Public Housing

The Campbellsville Housing Authority allows for pet ownership in its developments with the written pre-approval of the Housing Authority. Residents are responsible for any damage caused by their pets, including the cost of fumigating or cleaning their units. In exchange for this right, resident assumes full responsibility and liability for the pet and agrees to hold the Campbellsville Housing Authority harmless from any claims caused by an action or inaction of the pet.

### 18.3 Approval

Residents must have the prior written approval of the Housing Authority before moving a pet into their unit. Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Housing Authority will approve the request. Residents must give the Housing Authority a picture of the pet so it can be identified if it is running loose.

#### 18.4 Types and Number of Pets

The Campbellsville Housing Authority will allow only common household pets. This means only domesticated animals such as a dog, cat, bird, fish or turtles in aquariums will be allowed in units. Common household pets do not include reptiles (except turtles). If this definition conflicts with a state or local law or regulation, the state or local law or regulation shall govern.

All dogs and cats must be spayed or neutered before they become six months old. A licensed veterinarian must verify this fact.

Only 1 pet per unit will be allowed according to this schedule.

<b>Unit Size</b>	<b>Pets</b>
Zero Bedroom	<b>1</b>
One Bedroom	<b>1</b>
Two Bedrooms	<b>1</b>
Three Bedrooms	<b>1</b>
Four or More Bedrooms	<b>1</b>

Any animal deemed to be potentially harmful to the health or safety of others, including attack or fight trained dogs, will not be allowed.

No animal may exceed 25 pounds in weight and 12 inches projected to full adult size.

#### 18.5 Inoculations

In order to be registered, pets must be appropriately inoculated against rabies, distemper and other conditions prescribed by state and/or local ordinances. They must comply with all other state and local public health, animal control, and anti-cruelty laws including any licensing requirements. A certification signed by a licensed veterinarian or state or local official shall be annually filed with the Campbellsville Housing Authority to attest to the inoculations.

## 18.6 Pet Deposit

A pet deposit of **\$250.00** is required at the time of registering a dog or cat. A pet deposit of **\$100.00** is required at the time of registering a caged bird. The deposit is refundable when the pet or the family vacates the unit, less any amounts owed due to damage beyond normal wear and tear. A separate, one-time, **non-refundable** pet fee of **\$100.00** is also required for each dog or cat registered. Both the deposit and fee must be paid in full prior to registration. Caged birds are not subject to the non-refundable fee. Fish are not subject to the deposit or fee.

## 18.7 Financial Obligation of Residents

Any resident who owns or keeps a pet in their dwelling unit will be required to pay for any damages caused by the pet. Also, any pet-related insect infestation in the pet owner's unit will be the financial responsibility of the pet owner and the Campbellsville Housing Authority reserves the right to exterminate and charge the resident.

## 18.8 Nuisance or Threat to Health or Safety

The pet and its living quarters must be maintained in a manner to prevent odors and any other unsanitary conditions in the owner's unit and surrounding areas.

Repeated substantiated complaints by neighbors or Campbellsville Housing Authority personnel regarding pets disturbing the peace of neighbors through noise, odor, animal waste, or other nuisance may result in the owner having to remove the pet or move him/herself.

Pets who make noise continuously and/or incessantly for a period of 10 minutes or intermittently for one half hour or more to the disturbance of any person at any time of day or night shall be considered a nuisance.

## 18.9 Designation of Pet areas

Pets must be kept in the owner's apartment or on a leash, accompanied by the owner, at all times when outside the unit (no outdoor cages or houses may be constructed). Owners shall not leave pets tied outside and unattended for an extended period of time. Pets will be allowed only

in designated areas on the grounds of the property if the Campbellsville Housing Authority designates a pet area for the particular site. Pet owners must clean up after their pets and are responsible for disposing of pet waste.

With the exception of assistive animals no pets shall be allowed in the community room, community room kitchen, laundry rooms, public bathrooms, lobby, beauty shop, hallways or office in any of our sites.

To accommodate residents who have medically certified allergic or phobic reactions to dogs, cats, or other pets, those pets may be barred from certain wings (or floors) in our development(s)/(building(s)). This shall be implemented based on demand for this service.

#### 18.10 MISCELLANEOUS RULES

Pets may not be left unattended in a dwelling unit for over 24 hours. If the pet is left unattended and no arrangements have been made for its care, the HA will have the right to enter the premises and take the uncared for pet to be boarded at a local animal care facility at the total expense of the resident.

Pet bedding shall not be washed in any common laundry facilities.

Residents must take appropriate actions to protect their pets from fleas and ticks.

All dogs and cats must wear a tag bearing the resident's name and phone number and the date of the latest rabies inoculation. Failure to abide by this requirement will result in the local pet law enforcement agency being notified.

Pets cannot be kept, bred or used for any commercial purpose.

Residents owning cats shall maintain waterproof litter boxes for cat waste. Refuse from litter boxes shall not accumulate or become unsightly or unsanitary. Litter shall be disposed of in an appropriate refuse container.

A pet owner shall physically control or confine his/her pet during the times when Housing Authority employees, agents of the Housing Authority or others must enter the pet owner's apartment to conduct business, provide services, enforce lease terms, etc.

If a pet causes harm to any person, the pet's owner shall be required to permanently remove the pet from the Housing Authority's property within 24 hours of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

A pet owner who violated any other conditions of this policy may be required to remove his/her pet from the development within 10 days of written notice from the Housing Authority. The pet owner may also be subject to termination of his/her dwelling lease.

The Housing Authority's grievance procedures shall be applicable to all individual grievances or disputes arising out of violations or alleged violations of this policy.

#### 18.11 Visiting Pets

Pets that meet the size and type criteria outlined above may visit the projects/buildings where pets are allowed for up to two weeks without Campbellsville Housing Authority approval. Tenants who have visiting pets must abide by the conditions of this policy regarding health, sanitation, nuisances, and peaceful enjoyment of others. If visiting pets violate this policy or cause the tenant to violate the lease, the tenant will be required to remove the visiting pet.

#### 18.12 REMOVAL OF PETS

The Campbellsville Housing Authority, or an appropriate community authority, shall require the removal of any pet from a project if the pet's conduct or condition is determined to be a nuisance or threat to the health or safety of other occupants of the project or of other persons in the community where the project is located.

In the event of illness or death of pet owner, or in the case of an emergency which would prevent the pet owner from properly caring for the pet, the Campbellsville Housing Authority has permission to call the emergency caregiver designated by the resident or the local Pet Law Enforcement Agency to take the pet and care for it until family or friends would claim the pet and assume responsibility for it. Any expenses incurred will be the responsibility of the pet owner.

## COMMUNITY SERVICE REQUIREMENT

The Campbellsville Housing & Redevelopment Authority (CHRA) has prepared a continued occupancy and community service plan for each adult public housing resident that is not exempt from the requirement.

The CHRA has provided written notification to all existing residents of the community service requirement and provides this information to new tenants as they enter the public housing program. Families are notified of their community service requirement and advised of the consequences for failure to comply with the requirement.

The CHRA will coordinate with social service agencies, the Human Resource office and any other organization to identify volunteer service positions. The CHRA's Director of Human Services will be responsible to coordinate with other agencies to determine what volunteer services are available to meet the requirement.

As tenants are recertified on or after April 1, 2001, the CHRA will determine if any adult household members are not in compliance with the community service requirement. Once identified, the CHRA will provide the tenant with a listing of volunteer opportunities and a time sheet to record his/her community service activities.

The CHRA's Director of Housing Management will monitor each resident performing community service through communication with the Director of Human Services and the public housing clerks. Should the CHRA determine that any family member required to perform community service does not complete this requirement, the family's lease may not be renewed or terminated. Before termination, the CHRA will offer the family an "opportunity for cure" which provides residents an opportunity to fulfill the previous years community service not completed.

In implementing the community service requirement, the CHRA will not substitute community service activities for work ordinarily performed by its employees.
