ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

HOUSING AUTHORITY OF VERSAILLES EXECUTIVE SUMMARY FYE DECEMBER 30, 2001

In accordance with Section 511 of the Quality Housing and Work Responsibility Act of 1998, the Housing Authority of Versailles is pleased to submit the Agency Plan.

In this second year of required submission, the Housing Authority has elected to continue to operate its programs in an efficient, cost effective manner and to explore the options authorized by the Quality Housing and Work Responsibility Act of 1998 (QHWRA). Our priority will be to increase our applicant base and reduce our vacancies through installation of central air conditioning and increased security. The policy for definitions of a Substantial deviation from the 5 Year Plan and Amendment to the Annual Plan was adopted. No other changes were made to the plan.

The Five Year and Annual Plans were available for review by the public on April 12th, 2001 at the Housing Authorities Main Office at 519 Poplar Street, Versailles, Kentucky as noted in the public notice published in The Woodford Sun on February 12th and April 4th, 2001. An attendance sheet for the public hearing as well as minutes, including resident/public comments are available for review in the Housing Authority's file on the Annual Plan. All comments received have been considered and addressed by the Housing Authority and the Board of Commissioners approved the Five Year and Annual Plans for submission to HUD on April 13th, 2001.

The proposed projects will benefit our residents in many ways. The units will be safer: more energy efficient, comfortable, convent, and attractive. The improvements are to also improve the street appearance of the PHA's housing stock to more competitive in the rental market of the community.
