ii. Executive Summary

[24 CFR Part 903.7 9 (r)]

At PHA option, provide a brief overview of the information in the Annual Plan

1. Summary of Policy or Program Changes for the Upcoming Year

In this section, briefly describe changes in policies or programs discussed in last year’s PHA Plan that are not covered in other sections of this Update.

The Housing Authority of Flemingsburg continues to strive to provide safe, sanitary housing for its residents. The PHAS score for FYE ending was 89.5 which was an improvement over the previous score of 82.6. The Annual Plan Capital Program funds will be used for fiscal year beginning 10/01/2001 to make the Housing Authority of Flemingsburg dwelling units more marketable and safer by installing central air. Other items to be purchased are some replacement stoves and refrigerators.

A new pet policy was adopted and a community service policy was adopted during the fiscal year ending 9/30/2001.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-year Plan:

A significant amendment or modification for the Housing Authority of Flemingsburg Public Housing Agency Plan which will require public review and resident advisory board review shall be: 1) changes to rent or admission policies or organization of the waiting list; 2) addition of non-emergency work items (items not included in the current Five-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund Program; or 3) any changes with regard to demolition or disposition, designation, or conversion activities.

B. Significant Amendment or Modification to the Annual Plan:

A significant amendment or modification for the Housing Authority of Flemingsburg Public Housing Agency Plan which will require public review and resident advisory board review shall be: 1) changes to rent or admission policies or organization of the waiting list; 2) addition of non-emergency work items (items not included in the current Annual Statement or the Five-Year Action Plan) or change in use of replacement reserve funds under the Capital Fund Program; 3) any change with regard to demolition or disposition, designation, or conversion activities.

Required Attachment D: Resident Member on the PHA Governing Board

1 .X Yes No: Does the PHA governing board include at least one member who is directly assisted by the PHA this year? (if no, skip to #2)

A. Name of resident member(s) on the governing board: Viola Emmons

B. How was the resident board member selected: (select one)?

- Elected
- Appointed

C. The term of appointment is (include the date term expires): 12/31/2004

2. A. If the PHA governing board does not have at least one member who is directly assisted by the PHA, why not?

- the PHA is located in a State that requires the members of a governing board to be salaried and serve on a full time basis
- the PHA has less than 300 public housing units, has provided reasonable notice to the resident advisory board of the opportunity to serve on the governing board, and has not been notified by any resident of their interest to participate in the Board.
- Other (explain):

B. Date of next term expiration of a governing board member: 12/31/02

C. Name and title of appointing official(s) for governing board (indicate appointing official for the next position):

Mayor Demaree Cawood "Woodie" Todd

Required Attachment E: Membership of the Resident Advisory Board or Boards

List members of the Resident Advisory Board or Boards: (If the list would be unreasonably long, list organizations represented or otherwise provide a description sufficient to identify how members are chosen.)

Resident Advisory Board members are:

Kymerly King, Jane McClain, Charles Dailey and Wanda V. Hurst

Attachment F:

Resident Advisory Board comments:

Comments from Charles Dailey:

Central Air would be good because it would be so much easier on elderly and also for people who can't afford to buy air conditioners. Also would improve the appearance of the apartments.

Security screens would be a real nice thing to have. It would prevent children falling out of windows or getting hurt by trying to open it. Also would prevent breaking into the apartments.

Exhaust fans for bathrooms would take the moisture out of the bathroom when bathing.

Sidewalks have cracks in them. They need to be repaired badly. Could cause danger for elderly. Also some of the porches need repaired.

Storage buildings would be very nice and helpful to the maintenance man and the residents. During mowing time there wouldn't be anything in the way. It would be put up in the building and would make Circle Drive more well organized.

There is also a problem with people speeding around Circle Drive. The 25 mph speed limit is too fast.

Comments from Jane McClain:

The ductwork needs to be cleaned prior to central air installation.

Parking is a problem on Circle Drive.

Porches need to be repaired along with the sidewalks.

Comments from Wanda V. Hurst:

Since the City of Flemingsburg went to one day a week garbage pick up one day, is it possible to have more than one trash can?

Parking is a problem.

To enhance the marketability of the public housing authority, I strongly feel that installing central air would be a great marketing tool. For several reasons, I suggest this:

- 1) There are several elderly and single women living in the PHA that have a very hard time finding someone able to install window a/c.
- 2) Appearance - some of the dwelling units have two and three window a/c units in them. In my personal opinion I do not consider this very attractive. Units sealed with cardboard, plywood or duct tape.
- 3) Unable to put a/c s in rooms with single windows.

Safety - With central air most of the windows would remain closed and locked, therefore, keeping small children from pushing on screens and possibly falling out of windows.

Security - Windows with a/c s are, in my opinion, a welcome sign for burglars and/or thieves. Simply raise window - AC easily falls out in most cases or someone could be in the market for an A/C to install in their own home.

Sheds or out buildings would also be a nice marketing tool. Again the main reason would be appearance. Sheds would likely keep bikes and other large children's toys from laying around in yards for the mowers to either move or mow around. Residents with personal lawn equipment could keep them out of the weather.

One more item I feel would greatly enhance the marketability of the PHA would be carpet. Potential residents with infant children do not like the hard tile floors. If a child fell on them they could be severely injured.

Comments from Kymberly King:

- 1) Need for outbuildings - would make our units look neater.
- 2) Central Air - would eliminate unsightly air conditioners - plus safety hazards
- 3) Some type of carpeting to cover concrete floors.
- 4) Re-open our water faucets on the outside, so we can keep porches clean and garbage can be washed out.

Response to Resident Advisory Board comments:

It was noted that the porches needed to be added to sidewalk repair.

Speed limit can not be changed by Housing Authority, but it was recommended that the residents talk to city council people and the mayor.

Parking situation is addressed in the Five-Year Plan as far as marking off spaces along the curb. There is no parking lot for residents and guests, it is on-street parking.

The Housing Authority of Flemingsburg has been considering adding another garbage can to each unit due to the one day per week pick up schedule. City of Flemingsburg went to a one day per week pick up schedule to cut costs.

Plans are to install central air in the dwelling units. Carpet is not planned at this time due to problems with keeping it clean and the extra cost as opposed to tile floors.

Installing storage buildings has been written into the Five-Year Plan.

Outside water faucets were removed in 1991 to save on water costs. This is something that should be looked at along with putting individual water meters in either as a checkmeter or have everyone pay their own water bill just like everyone pays their own electric bill.

Component 3. (6) Deconcentration and Income Mixing

- a. Yes No: Does the PHA have any general occupancy (family) public housing developments covered by the deconcentration rule? If no, this section is complete. If yes, continue to the next question.
- b. Yes No: Do any of these covered developments have average incomes above or below 85% to 115% of the average incomes of all such developments? If no, this section is complete.

If yes, list these developments as follows:

Deconcentration Policy for Covered Developments			
Development Name:	Number of Units	Explanation (if any) [see step 4 at §903.2(c)(1)(iv)]	Deconcentration policy (if no explanation) [see step 5 at §903.2(c)(1)(v)]
